Ethel's mother was stopping with her a few weeks, so she managed to "Gypsy Love" is the internationally run out to see me one day when she knew I wouldn't be at the studios. I popular comic opera by Franz Lehar, was upstairs having my hair shampooed when I heard her voice, so I called to composer of "The Merry Widow," her to come up directly. As soon as my hair was dry I dressed and we went which many critics have acclaimed a for a short ride returning in time for lunch. After lunch we sat in my cheer- better work than its predecessor. In ful sun parlor talking of the hundred and one different things so dear to the it Lehar has given free reign to his mind of the girl of the day. We chatted endlessly about the length of the genius for haunting melody and brilnew skirts, whether the coats should be short, three-quarter or full length. liant musical comedy, the result being In fact, no favorite topic was neglected.

Since Ethel had promised to be home in time for a six o'clock dinner, twenty numbers that are absolute hits. I had Eliza bring the tea wagon out early. I had in mind also that mother Also the operette is declared to have who had just returned from the shops, might grow faint, and indeed she was a rarely interesting plot. The story pleased when she found the tea things ready. We all lingered a long while revolves about the sudden infatuaover the thin sandwiches and delicious chocolate which dark Eliza concocts in tion of the daughter of a nobleman a wonderful fashion.

Mother had brought a number of purchases home with her in the machine, so, of course, we simply had to pass our opinion on each and every article. It took longer than we expected to open the packages, examine the lingerie and shirtwaists, and exclaim over the beauty of some special hothouse roses. Before either of us realized it, the little white clock was chiming four-and Ethel's train left at four-fifteen.

Never did you see a person do nwraps so quickly. Her chic little green from the beginning. feather turban was clapped upon her chestnut curls and a delightful veil neatly In the two most important parts pinned over it, gloves and afternoon bag grabbed on the way out of the room, Arthur Albro, the famous young Ruswhile her tan crepe de chine shirtwaist collar was placed over the deep sian tenor, who created his role when brown of her tailormade suit on the way down stairs. As for me, I had donned "Gypsy Love" was given its first Ama heavy automobile cloak and we were both waiting at the roadway by the erican presentation at the Globe Theatime the man brought the machine around to take Ethel to her train. We tre, N. Y., and Finita De Soria, a beaureached the station in time, and as I waved from the station, Ethel's smiling tiful young Spanish prima donna who already seen Richards you had better face beamed at me attractively from the train window.

great rule. Her boy husband and sweet mother would have thought nothing of it if she had been late to dinner, but Ethel would never permit such a thing a cast containing many notables are tumbling out of the ceiling and that men can make from \$3.00 to \$5.00 per to happen. Since tardiness is womankind's conceded failing, don't you think we could all learn a lesson from this little incident?
