New York (Wall Street), Dec. 5.—The effect of yesterday's fluctuations in money was seen in the further irregularities of prices at the opening of today's stock market. Leading shares registered fractional changes plainly downward on a moderate dealing, while shares of a more speculative character yielded a point. These recessions were counter-balanced by similar advances in miscellaneous issues. United States Steel and Republic rails moved within narrow limits. Reading, however, made a slight gain.

Wednesday. Sun rises . . . 7:04. Sun sets . . . 5:03. Louisville, Ky., Dec. 4.—Lloyd Weaver, who lives out on Gunpowder Creek, reports squirrels as destroying much of the corn in his neighborhood. He never saw them so numerous, he declares, and it is no trouble to kill all a fellow can carry in a few hours. At breeding time these little animals were not more numerous there than usual, and their sudden appearance in such numbers can only be accounted for by emigration.

TAKE SALTS TO FLUSH KIDNEYS. Eat Less Meat If You Feel Backachy or Have Bladder Trouble. Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, abiding you to get up, two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.—Adv't.
