## Resolutions of Request,

At a meeting of the Ladies' Concordia Society, held this day, December 6, 1916, the following was unanimously adopted:

"It having pleased our Heavenly Father to call from this earth our dear sister Betsy Shrier, we extend to her sorrowing family the hand of crue sympathy in this sad hour of

grief and mourning. Quiet and retiring by nature, she carried into her own home life the virtues of a good wife and mother, and the beautiful family affection of which she was the center, shed blessings around and about her and formed her own and her dear ones strength and support during the long and painful illness she endured with

patience and resignation. Be it Resolved, That a page in our minute book be inscribed to the memory of our deceased sister, and that a copy of the foregoing be sent to her bereaved family and that the same be published in our daily papers
