

OPPORTUNITY TIME IN DISPATCH BIG CONTEST.

(Continued From Page One)

never regret it. By not entering the contest some of you will hear the winner of one of the automobiles or other prizes telling how easy he or she won. Then you will feel like going out and hiding yourself. They say that "It is better to have loved and lost than to have never loved at all." It is the same way in the contest. It is better to have tried to win and not win than it is to have tried to win such fine prizes as The Dispatch is giving away. Some contestants become discouraged when an opponent casts a big vote, with that object in view. The candidate will then stop by the way-side and bemoan her fate. Yes, her fate is defeat. Do not pay any attention to any of the other contestants; just go ahead and do the best you can and you will never regret it. In filling out the subscription orders, candidates will confer a great favor on the Circulation and Contest Department by writing names and addresses with extreme care, and indicate whether the subscription is new or old. It was announced in the beginning of the contest that the first subscription turned in by or for a candidate would give 25,000 extra votes, and this offer is still in effect, although some of the candidates seem to have the idea that it has closed. Such is not the case. If you have not sent in your first subscription do so now and get these extra votes. Remember that two subscriptions for a year each, or one subscription for two years, turned in by Saturday night, December 9th, at 9 p. m., will give 50,000 extra votes. Out-of-town candidates can mail their subscriptions any time Saturday and they

will count toward this offer even though the contest manager does not receive them until Monday. HOW THEY STAND. Abbottsburg, N. C. Edna Cashwell 3,100. Acme, N. C. Rona Bradt 3,050. LADIES! DARKEN YOUR GRAY HAIR. Look Younger! Use Grandmother's Recipe of Sage Tea and Sulphur and Nobody Will Know. The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair. A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Advt.
