Spinal Adjustments

DR. J. E. MACOMBER, M. D., SAYS:

"For the past six years Dr. McConnell, of Chicago, Ill., and his colleagues have been experimenting upon animals in order to determine scientifically whether disease will occur in distant organs after vertebrae (spinal bones) have been slightly displaced. Microscopic examinations of specimens taken from organs of the stomach, kidney, pancreas, and practically all organs in the body was marked. In two animals a Goitre was produced."

DR. CHAS. MAYO, M. D., OF ROCHESTER, MINN., ONE OF THE WORLD'S GREATEST SURGEONS SAYS:

"That drugless healing is one of the best things that has come into the life of the present day."

DR. G. H. PATCHEN, M. D., OF NEW YORK, N. Y., SAYS:

"Eighty per cent. of our population are afflicted with some sort of Spinal Defects, this being the cause of so much nervousness, indigestion, rheumatism and further the organs of the entire body are affected by these displacements."

A GREAT MANY MORE TESTIMONIALS

Could be given but I believe that this is sufficient to prove the contention, that when the bones of the spinal column are out of their proper alignment these diseases follow, a Chiropractor is trained to know these displacements or subluxations and correct them which means Health.

Don't be deceived by what others may say about Chiropractic, but instead, be convinced yourself by being restored to health.

BATTLE FOR FUNDS SOON TO START

Army and Navy of the "Y" Will Struggle For Supremacy, Beginning Tuesday

YOU MEN WHO WERE COUNTRY BOYS
Remember when you first came to the city how hard it was to stand the nights. Hall bedrooms aren't very cheerful in the lamp glow. You wanted company—amusement, anything to break the awful loneliness and monotony. You came through safe, you had the moral, mental and physical strength to survive. Perhaps you met the right girl in time, but think back and recall some of the boys who were your friends then—who got in wrong and who never came out right. What would it have meant for you in those days if you had had a reading room, a gymnasium, a swimming pool, a night educational classes, lectures and talks by men who had traveled and who had achieved? What would it have meant to the boys who didn't succeed, who might have been helped to help themselves—to keep clean minds and sound bodies? Boys are still coming from the country, nights must still be passed, ambition is still strong in the big teens and little twenties. Don't you think that you ought to help dig the "safe" throughfare? The Y. M. C. A. has outgrown its finances. Just because it hasn't outgrown its usefulness. Those inside its doors aren't one, two, three to the number waiting on the steps. It needs money for American manhood, to keep cleanliness in youth, to broaden brains and backs. It needs some of your money—as much as you can afford to give. It needs it badly—NOW.

A few days ago the heads of the Young Men's Christian Association, the Wilmington institution that is doing so much for the young men of the city and which is such a big asset to the community, issued an appeal to the citizens for funds. Tuesday morning the campaign for funds, to raise money to help sustain the worthy institution, will commence and it is to be a battle royal. The membership has been divided into sides, to be known as the Army and Navy, with one of the live workers of the Association in command of each side, and the General of the Army will have strong teams on his firing line, while the Admiral of the Navy will be fortified with strong squads. This will add great interest and zest to the campaign, which will be short, sweet and, it is hoped, highly successful, as the Association is in need of funds to maintain the splendid work being done and especially in view of the increase in prices. As of yore, the people of Wilmington will, no doubt, readily and generously respond, because the great work of the Association is generally appreciated; both the work inside the building and the boys' work outside.

Tomorrow evening at 6:15 o'clock there will be a big rally of the forces of both the Army and Navy at the Association Building. There they will sup in good fellowship and afterwards each commander will lay out his strategy, looking towards a big victory for his respective side.

MYSTERY CLOAKS DARKEY, FSD EATH

Found at Home of Flora Brown With a Knife Thrust in His Left Side.

Complete mystery surrounds the tragic death of Charles Moser, colored, who was found by the police in the house occupied by Flora Brown, colored, on Eighth street, between Brunswick and Bladen, yesterday afternoon, in an unconscious condition with a knife thrust in his left bosom in close proximity to his heart. He was hurried to the James Walker Memorial Hospital but died without regaining consciousness. The Brown woman has been arrested in connection with the killing and is being held without bond. Coroner A. S. Holden will view the remains this morning and seek to place the blame for the man's death.

Moser, who was unknown to the police, was found by Officers Long and Coleman in the Brown woman's house yesterday afternoon shortly after 3 o'clock, after the officers had been called there in response to a message that a free-for-all fight was in progress. When they arrived they found the negro unconscious in a room and hurried him to the hospital, where everything possible was done for him, but he died without regaining consciousness.

Hall, at Winter Park, were conducted from Fifth Avenue Methodist church yesterday afternoon at 4 o'clock by Rev. J. H. McCracken and interment was made in Bellevue cemetery. The floral offerings were beautiful and numerous and testified in a silent manner to the respect and esteem in which this estimable lady was held.

The following served as honorary and active pall-bearers: Messrs. W. H. Hardy, T. A. Hodges, G. R. Webster, J. W. Fleet, J. A. Orrell, E. R. Ellis, J. S. Barnes and J. T. Sholar.

LIGHT INFANTRY TO WASHINGTON

Company Fifty-Odd Strong Left to Attend Inauguration Last Night.

Fifty-odd members of the Wilmington Light Infantry left the city last night on the special Pullman car attached to the regular 6:45, north-bound train, for Washington, D. C., to participate in the great military parade which will be one of the biggest features of the inaugural exercises for President Woodrow Wilson. The Light Infantry is in command of Captain James B. Lynch and the officer stated last night that he anticipated that his company would make a good showing passing in review before the President, as they had been hard at drill for the event.

The company will arrive in the Capital City this morning at 8:30 o'clock and will be given the entire day for sight-seeing and pleasure. A large hall was secured in advance by the company as headquarters and the Coast Artillerymen will be quartered there Sunday night. Each of the members of the company are equipped with a heavy overcoat and blanket roll and will not suffer on account of any unexpected cold.

The Light Infantry attended the inauguration of President Wilson in 1912 and as they passed the reviewing stand they were pointed out to the Nation's Executive by an aide as being from Wilmington, the boyhood home of the President. The W. L. I. has attended several presidential inaugurations. The company will leave Washington on the return trip to this city on Monday night at 9:30 o'clock and arrive Tuesday morning at 9:50 o'clock.

The officers and non-commissioned officers of the company making the trip are: Capt. J. B. Lynch, Lieut. E. H. Holmes, Lieut. G. C. Filley, First Sergeant G. T. Swain, Quartermaster Sergeant Richard G. Westbrook, Sergeants McCulluck B. Wilson, E. Z. King, W. F. Grant, John L. Galloway and James H. Morse, Corporals J. H. Farrar, C. D. Jones and R. B. Houston.

THEATR

ROYAL'S BIG NEW OFFER.

For the coming week the Royal will have a company which has played for twelve continuous weeks of the Carolina circuit without receiving a single bad report, which is an exceptional occurrence. It is Hermann Lewis and his Virginia Beauties, an all-star company of ten—five pretty girls and five talented male performers.

Featured on this company, which absolutely carries the best trained chorus with the best voices, seen on the circuit this season, is the famous Old Dominion quartet, an absolute parade which has never before been equalled in a Wilmington theatrical entertainment. Others featured are Lester Richards in blackface, which is exceptionally good, and Jack Minnis, Irish comedian, one of the best ever sent to the Southern territory.

Of the Virginia Beauties, the Paramount theatre, Winston-Salem, says: "One of the best shows we have played this season. Business fine. Piedmont in Greensboro reports: 'Should go big and make money everywhere. All hard workers and good singers. Entire show good.' Orpheum, Durham, reports: 'One of the best and cleanest shows we have had.'"

Of the Old Dominion Quartet, the Piedmont reports: "A big feature which will be boosted strong and will get business." The Orpheum states: "The best team we have played this season."

With all these and other good reports the management can confidently recommend this show to the best patronage. The fourth great chapter of "The Crimson Stain Mystery" will also be on tomorrow and Tuesday.

"LOST AND WON"—GRAND TOMORROW.

Marie Doro, the distinguished and beautiful young artiste of stage and screen, will be seen at the Grand Monday in the Lasky-Paramount production, "Lost and Won," a gripping drama of newspaper life, written especially for her by the two noted dramatists, Channing Pollock and Renold Wolf, and prepared for the screen by Margaret Turnbull.

Since making her debut in the Paramount Program in "The Heart of Nora Flynn," Marie Doro has scored success after success with the photodramatic public, her last appearance having been in the title role of "Oliver Twist," and in "Lost and Won"

she has a still greater success since it is especially suited to her charming personality and gives her ample opportunity to display her wonderful artistic talents.

In this, as in some previous screen triumphs, Miss Doro is seen in a wide variety of dress. Not only is she seen as a new girl of the streets in a ragged suit and dilapidated hat, but after her rise in society she is given an opportunity to wear some beautiful gowns. For her coming-out ball the Lasky company has made an especial effort to display the latest creations of the American designers.

This latest Paramount picture is in intensity of story, dramatic appeal,

acting ability and photographic excellence equal to the many remarkable photoplays which have consistently borne its name, and Miss Doro is excellently supported by the fine matinee idol, Elliott Dexter.

Shoe Representative Here.
Mr. E. H. Brooks, representative of F. W. Dabney & Co., of Philadelphia, Pa., will give a display of the latest wear for ladies, misses and children at the Wilmington Hotel this Monday and Tuesday. This feature is one of the season's latest styles in shoe
