What To Do When Baby Has The Croup

Pennsylvania Mother Advises Use of "External" Treatment -VapoRub.

What to do when baby has the croup is a serious matter in every home. In the South the universal treatment is a good rub over the throat and chest with Vick's VapoRub Salve. The body warmth releases the ingredients in the form of vapors that, inhaled with each breath, quickly relieve the breathing. In addition, Vick's is absorbed through Penna. and stimulates the skin, relaxing the Baby nervous tension and taking away the htness and soreness.

New York, March 9.- Earl Carroll, who used to be one of the most accommodating ushers to ush in a Pittsburg theatre, has celebrated his removal to his bungalow stop a sckyscraper—ten seconds from Broadway-by writing a novelty song that threatens to go over with a punch.

Carroll has no musical training and cannot play a piano. Like Irving Berlin, he picks out the melodies with one finger and they are put into regular music form by trained musicians. Carroll has written the music for two plays on Broadway this season and they are still running. He is indeed an old genius. I have known him for several years and not once have I ever heard him speak of his success.

He never wears a hat. Some time ago he found he was getting bald and he discarded the wearing of a headpeace and found his hair growing again. He neither drinks nor smokes and is a regular church attendant.

His new song is composed entirely of letters. Here is the chorus:

Physician Believes a Genuine Remedy for the Disease Has Been Found.

Rheuma, the wonderful rheumatism remedy sold by R. R. Bellamy and all druggists, gives quicker and more lasting relief than other remedies costing many times as much.

Rheuma passes the deadly poison-

ous secretions into the bowels and kidneys, from which they are quickly thrown off in a natural, healthy way. Read what a reputable physician says about Rheuma: "I have made a most careful investigation of the formula employed in the manufacture of Rheuma, and I heartily recommend it as a remedy for all forms of rheumatism, and altogether different in composition from the remedies usually

prescribed."-Dr. Lyons. This should give any sufferer from rheumatism confidence to try Rheuma. (adv.)
