

# TWILIGHT PARADE ON THIS EVENING

### Free Exhibitions Will be Staged Immediately After Procession Returns.

Shriners' twilight parade, postponed from yesterday until this evening because of weather conditions, will move promptly from in front of the City Hall this evening at 7 o'clock and will move up Third to Red Cross, thence to Front, and up Front to Market street, down Market to Thirteenth, and thence down Thirteenth to the intersection of Dock, where the show tents are pitched.

The parade will be marshaled by Major E. A. Metts as chief, and he will be assisted by Colonel Donald MacRae and Capt. E. P. Bailey. The parade will form in the following order:

- Squad of police.
- Leading candidates for Queen contest and automobile.
- Sudan Drum Corps.
- Band.
- Wilmington Drum Corps.
- Automobiles with performers.
- Private automobiles.
- Fire department.

While Wilmington has been blessed with parades of late, there is that something about them that attracts, and were one held every afternoon in the week the city would be out to view it. Stirring music will be furnished, and that perhaps explains the drawing power of parades. Tonight's affair will be no exception to the rule, for the big band traveling with the Kennedy Shows will be augmented by local talent that should prove highly entertaining.

The free attractions that were scheduled for yesterday evening will be staged immediately after the procession reaches the show grounds, and those who view the parade up street would do well to adjourn to the show grounds immediately.

In spite of the fact that it had been officially announced that the different shows would not open last night, a large crowd gathered on the show lot, and Mr. Kennedy decided to admit the public to those attractions which were ready. All but three had been set up by hard work, during which a new record was established for getting the shows in shape, and the public enjoyed themselves immensely. The attractive show fronts, all prettily decorated, the clean tents, and the polite and refined attendants made a big hit with the patrons, who freely stated that the Con T. Kennedy shows are the largest and best ever in Wilmington. The brilliantly lighted midway added a great deal to the occasion, and everything was conducted in a strictly businesslike manner.

The attractions carried by the Kennedy shows are: Autodrome, Estie Fay's Society Horse Show, Garden of Allah, Miracle, French and Belgian Midgets, Monkey Speedway, Coney Island Side Show, Dixie Land Plantation, Gasparilla, Doc Turner's Congress of Wonders, Panorama Show, the Whip, Ferris Wheel and Merry-Go-Round. These shows are of real worth, with meritorious programs, and have been highly praised by the press in all the large cities of the South. All of the Kennedy shows will be open every afternoon and night this week.

### READY TO SHARE.

Young America Will Willingly Shoulder His Part of War Burden.

# HANSON AND ABERG MEET FRIDAY NIGHT

### McDonald Unable to Come; Wednesday Night Match Called Off.

The Wednesday night clash between Joe McDonald, of Knoxville, Tenn., and Fritz Hanson has been called off because of the inability of McDonald to come here before after the 18th of the month, but fans will be given something to entertain them on Friday night, for at that time Hanson and Ed Aberg will again lock horns. Fritz agreed to take the Ohioan on after his statement that he would be willing to post a forfeiture against fouling.

Aberg and Hanson are to meet Friday night and while the articles of agreement have not been drawn up as is understood, as will all other holds, except when a man is breaking a hold, then it is permissible. The referee has not been decided on as yet, but Hanson stated this morning that anyone would be agreeable to him, adding that it might be a good idea to have a couple of them and three ringside judges also. At any rate, Hanson and Aberg are to meet again and a warm fight is expected.

Yet it is understood that both men will post a forfeiture to make the weight and against fouling. This will assure the crowd of a fair hard fought match, and those who saw last their meet could not be held away. All roughness is to be eliminated and the men are to wrestle scientifically. It is to be a finish, two falls out of three.

Both are in the pink of condition, neither having worked since their last match and both have ample time in which to get their wind in shape for what should be the biggest match of the season. Now that Aberg has demonstrated his ability as a wrestler, the uncertainty that clothed their initial match has been removed and fans can assemble with the knowledge that two evenly matched men are to fight it out to a finish.

# GOVERNMENT FARM FOR ARMY SUPPLIES

### Ten Thousand Acres Offered For Raising Food Supplies For Army.

(By Associated Press.) Mobile, Ala., April 10.—The Richton Land and Development Company today offered the United States government the use of 10,000 acres of land near Mobile for the purpose of growing food crops for government forces. The Gulf, Mobile and Northern Railroad Company, in addition, offers the services of its agricultural agent, H. H. Bolton, to direct the cultivation of the crops should the offer be accepted.

### ADOPTED SON ENLISTS.

Greek Merchant Sells His Grocery Store and Joins the Colors. That the naturalized citizen looks upon the American flag as his flag; that he is willing to lay down his life in defense of the country he has adopted, is evidenced by the action of Nick Pelious, Greek merchant, of this city, who has just disposed of his grocery business at the corner of Eighth and Red Cross streets, and enlisted with the Naval Reserves division. Mr. Pelious, who is 22 years of age, has been in Wilmington three years and has made many friends during that period.

# GOLDSBORO'S CANDIDATES

### For Municipal Honors Are Warming Things Up in That City.

(Special to The Dispatch.) Goldsboro, N. C., April 10.—Politics is warming up in this city and it appears to be an assured fact that a close campaign will be held between the competitors.

Mayor John R. Higgins is to be opposed by James R. Hatch and it is rumored that these two gentlemen have many friends who will support them in the coming primary.

For Aldermen the following nominations have been made: First ward, C. W. Peacock, A. H. Edgerton; Second ward, S. W. Draper, Lionel Well, Dr. C. B. Hall; Third ward, John R. Crawford, Joe A. Parker; Fourth ward, W. D. Creech, J. W. Sadler.

It is generally recognized that the present city officials are progressive and efficient and that they have not only accomplished measures of importance, but have won for Goldsboro an enviable reputation. At the same time a number are inclined to believe that a change would make a great improvement in the city's welfare.
