**OTHER GAMES YESTERDAY.**

At New Orleans 9; Atlanta 2.  
At Little Rock 2; Nashville 3.  
At Mobile 3; Birmingham 6.  
At Memphis 3; Chattanooga 5.

**MINOR LEAGUE NOTES.**

The Waco champions certainly are living up to their name in the Texas league pennant scramble.

From the Central league standing it may be inferred that Richmond, the infant member of the circuit, is not yet able to walk.

The Texas league has been reduced to a six-club circuit, Galveston and Beaumont having thrown up the sponge.

The Anniston team had won 13 out of 18 games played and was leading the Georgia-Alabama league when the organization flopped.

Frank Isabell is president and Bobby Wallace manager of the Wichita team. A slant at the Western league team standing will show how the two old big timers must suffer.

So far the Nashville champions have not been able to get near enough to the Southern league leaders to give the top of the line a battle.

The Virginia league and the Georgia-Alabama league are through pasting for the present at least. Both leagues have disbanded.

Otto Knabe, who has succeeded Billy Smith as manager of the Richmond International league team, is playing second, his old big league position.

The Lincoln club of the Western league has gathered a likely looking bunch of ball tossers this season. Already the club has sold first baseman Griffen to the Athletics for a fancy sum.

Unless the other seven American association teams find a way to stop Indianapolis at an early date the Hoosiers will be so far out in front by July 4 there will be no stopping 'em.

No minor league in the country has anything on the Western association in the way of furnishing a tight pennant chase. The eight teams have been racing along with only a hundred points separating the first and last outfits.

Something like 400 points separate the first and last teams in the North-western league race. Running at their present gait, Spokane, the tail-enders, probably will catch a glimpse of the leading Tacoma outfit in 1919.

**TAKE THE RIGHT KIND OF IRON**

Old and Young Need More Iron, Food Eaten Nowadays Has Less and Less Iron.

Nature Provided Acid Iron Mineral For Sick.

From the Great Lakes to the Gulf of Mexico, is iron, put there that man might stiffen the backbone of ships, build like skyscrapers and locomotives. This is the iron of the builder and of cannon and shrapnel which kills men and ruins teeth and stomach.

Then off to one side, nature deposits iron for another purpose and it is called "Acid Iron Mineral." Unlike commercial iron it has been protected through thousands of years from elements, water and air, by a casing of marble-like rock and clay. Acid Iron Mineral was set aside by the Creator for medicinal purposes, in one great deposit not far from the world's greatest commercial iron ore beds. It is the only deposit known to exist in the whole universe.

Acid Iron Mineral possesses wonderful medicinal properties. Three forms of iron, calcium, potassium, magnesium and sulphuric acid blended and proportioned exactly right for the treatment of stomach, kidney, bladder and blood complaints. So perfect is this natural compound no chemist has come forward to claim the large sum offered to chemists able to make Acid Iron Mineral. Some of Nature's secrets are beyond solving and Acid Iron Mineral is one.

Where chemists employed alcohol, syrups, etc., nature needed none to make Acid Iron Mineral. Pure as the rippling brook, A-I-M is Nature-Elixir.

No man or woman in need of a tonic or troubled with impoverished, impure blood, rheumatic complaints, nervousness or loss of vitality should longer be weak and half efficient. A-I-M, tested 20 years, brings back color and sparkle to cheek and eye. It helps stomach, kidney and bladder back to normal. Get a bottle at your druggist. 50c and \$1.00 size bottles.—Adv.

## LIGHT INFANTRY AND GIANTS WIN

Two Good Games of Ball at Robert Strange Playgrounds Yesterday Afternoon.

In two good games of baseball at Robert Strange playgrounds yesterday afternoon the W. L. I. took the Dodgers' measure, 6 to 4 and the Giants swamped the Immanuels 9 to 1. The last contest of the afternoon between the Soldiers and the Dodgers was by far the best of the two. Corbett, on the mound for the Infantrymen, allowed but four hits, while Yates gave up fourteen.

The hitting of Twinning, for the Giants, was a feature of the first game. Consecutively he pounded the horseshoe over right-field fence for home runs. Boswell, twirling for the Giants, held his opponents to three hits during the nine innings and was never in trouble.

The score by innings of the games follow:

Score by Innings: R. H. E.  
W. L. I. . . . . 001 121 100—6 14 1  
Dodgers . . . . . 020 000 000—2 4 3

Summary—Three-base hits, Huhn; two-base hits, Rhoades, Kelly; Stolen bases, Hayes.

Batteries, Yates and Griffith; Corbett and Burnett.

Second game: R. H. E.  
Immanuels . . . . . 100 000 000—1 3 3  
Giants . . . . . 001 232 100—9 10 1

Summary—Home runs, Twinning 2; two-base hits, Huhn, Davis, Boswell; bases on balls, off Parham 1, off Boswell 0; struck out, by Parham 4, by Boswell 8.

Batteries: Immanuels, Parham and Gerdes, H.; Giants, Boswell and Twinning.

Perhaps it is only a coincidence that Vernon is running backwards in the Pacific Coast league race and that Fred Snodgrass is playing second base for the team.

Batteries: Groom and Severeid; R. Johnson and Schange. Umpires, Dineen and Owens.

**CARD OF THANKS.**

To those many friends, who were so tender in words of sympathy and so kind in deeds, during the illness and at the death of my beloved wife, I return my most fervent thanks and assure them they will ever be held in grateful memory.

Respectfully,

## STARTLING DIFFERENCE IN DRAFT FIGURES.

(By United Press.)

Washington, June 9.—Startling discrepancies between the number of men who registered for war service and the number the Census Bureau estimated would register, were revealed tonight when returns from more than one-third of the States were announced at the Provost Marshal General's office.

Washington state showed only 50.9 per cent registration compared with census estimates. Oregon was more than 45,000 short. The total discrepancy so far is well over 370,000 in round numbers.

Mrs. J. Williams, of Raleigh, is a guest at the Oceanic Hotel.

Miss Irene Graves, of Raleigh, is registered at the Oceanic Hotel.

Mr. and Mrs. Burt Brown, of Detroit, Mich., are Oceanic Hotel guests.

Mr. and Mrs. E. E. Jones, of Boston, Mass., are registered at the Oceanic Hotel.

Miss Katherine Kingface, of Atlanta, Ga., is a guest at the Oceanic.

Mr. and Mrs. P. A. Wells, of this city, are guests at the Oceanic for the week-end.

Mr. and Mrs. William Hull, of Westminster, S. C., are guests at the Oceanic Hotel.

Mr. J. W. Ballew, of Charlotte, is an Oceanic guest. H. F. Hanks, of this State, is at the Oceanic for a short period.

Mr. and Mrs. S. J. Springer, Mr. and Mrs. Louise Einstein and Miss Dorothy Einstein are Oceanic Hotel guests.

Miss Gladys Kingland, of Montgomery, Ala., is an Oceanic Hotel guest. Miss Jessie Dooley, of Memphis, Tenn., is spending a period at the Oceanic.

Hundreds of people spent yesterday at the beach, but the crowd is not expected to compare with the throng that will be there today if the weather is favorable.

Mrs. James P. Moore and Mrs. A. H. Costin, of Atkinson, returned to their home last night, after spending some time at Wrightsville Beach.

From yesterday's Raleigh News and Observer: "Mrs. A. S. Root and daughter have gone to Wrightsville Beach to visit Mr. and Mrs. W. W. Vass."

The very splendid service that is being maintained between the beach and city on the Seacoast Railroad is in a measure responsible for the unusually large number of persons that are already going to the beach regularly.

Mr. and Mrs. Hulse, of Augusta, Ga., are Seashore Hotel guests.

Mr. and Mrs. Godfrey C. Adams, of New York City, are guests at the Seashore Hotel.

W. C. Sanders, of this city, is at the Seashore Hotel, where he will spend the summer.

Mr. D. L. Sinclair, of Sanford, a Wilmington boy, is spending the week-end at the Seashore.

Mr. and Mrs. F. D. Letho and Miss Helen Letho, of Charlotte, are spending a period at the Seashore Hotel.

Mr. and Mrs. Daniel H. Benton and children have moved to the Seashore Hotel, where they will spend the remainder of the summer.

Miss Cora Thompson left yesterday for Sanford, where she will spend several days with friends.

Mr. and Mrs. J. T. Lynch, of Duke arrived in the city last night to spend several days at Wrightsville Beach.

Mrs. L. E. Harrison, of Mount Olive, has arrived in the city to spend a period with friends.

The two principal beach hotels are slowly filling and there are many guests at the various cottages. These added to the large number who are living there make Wrightsville pretty heavily re-opened, even this early.

Saturday's Charlotte Observer: "Mr. and Mrs. Armand de Roese-Meyer and the latter's mother, Mrs. E. S. Steel, left Friday morning for a ten day trip to Wilmington and Wrightsville."

The lid will be officially lifted at the convention season tomorrow when the opening session of the Landreer Convention of the Carolinas and Georgia will be convened at the Seashore Hotel. June is really convention month at the beach and hundreds of visitors will be there during this period.
