**ADAMS PEPSIN**  
 THE BIG BUSINESS-MAN'S GUM

This business man has just quit his desk to command a regiment and help America win the war. Almost all the big successful men who give commands in business or in the Army prefer Adams Pepsin, the Original Chicle Gum, to any other gum. It keeps their high strung nerves steady and their digestions in trim.

**BASEBALL SUMMARY FOR FIRST TWO MONTHS**

(By Associated Press.)  
 New York, June 11.—With the 1917 baseball season two months old, neither the National nor American League has shown a combination strong enough to hold first place and at the same time gain on its opponent. The National League has had more changes in first position than in several years. The Boston Americans showed winning form early in the season, but since the games with the Western teams have not done so well. When the week's play ended Saturday Philadelphia led the Nationals and Chicago the Americans, but the grip of neither team was strong.  
 In the National, New York found the going hard in St. Louis and Cincinnati. After losing Sunday to St. Louis, New York won Monday and then went to Cincinnati for four

games. Mathewson's men developed unlooked for prowess and took three games from the league leaders.  
 Philadelphia moved into first place Wednesday, went into a tie with New York Thursday, and regained the lead Friday.

The meeting will continue until July 4. There are plenty of high-class horses on hand, and the jockey talent is of the very best. A dozen or more good stakes are to be run during the meeting. Featuring the program for the opening day is the Inaugural Handicap, for three-year-olds and upwards.
