

German lines in Galicia, captured Halicz and pressed on toward Lemberg, the Galician capital, the Germans on the western front have started a men- A REIGN OF TERROR acing offensive near the Belgian

This movement, while it may turn out to be nothing but a local effort or something with which the British can cope, after the shock of the first thrust has been met, nevertheless indicates the possibility of a determined attempt to bend back the British flank on the Belgian coast and reach the French city of Dunkirk, about 17 miles' distant.

The Germans succeeded in their ineast bank of the Yser near ine North necessary to carry on its war pro-

gram.' The attack also extended farther south, opposite to Lombaertzyde, but here, after having temporarily driven DROP IN EARNINGS ter attack forced the Germans back to their original positions.

There have been no serious atempts by the Germans to break ings of express companies, which were through the British front in Belgian \$1,202,848 in 1916, dropped to \$995,044 since their two campaigns for Calais in March, 1917, according to reports in the early months of the war. The today to the Interstate Commerce Com-

first was checked along the Belgian mission. front by the combined British and Belgian defense, aided by the participation of British warships along the coast. In the second battle of Ypres, in the fall of 1914, the Germans sacrificed thousands of men in a terrific drive, but failed to effect a penetra-

Reports from London today indicate day, were again heard today beginning at dawn.

In the sensational campaign which tion. he revolutionary army of Russia is waging in Galicia, the capture of Hal-izs, important though it is,, is only an izs, important though it is,, is only an incidental feature. Given secure pos-session of it, the Russians have the Russ road to Lemberg well opened up to them and a continuation of their attacks on anything like the scale of the last ten days seems likely to result in he fall of the Galician capital at no distant date.

bok more than 30 guns, and numerous prisoners. The Russians, advices to the Russian war office say, are coninuing their advance, pursuing the etreating Austro-German forces. On the French front in Northern
