

AFTER EFFECTS OF MEASLES

Mother, Who Lives in Tennessee Mountains Where Black-Draught Is Relied On in Many Troubles, Says it Made Her Boy Sound and Well.

Coal Creek, Tenn.—Up in the mountains, quite some distance from town, lives Mrs. U. S. Fritts, who relates her experience with Theodor's Black-Draught as follows:
"My little boy, James, took sick with diarrhea, about five years ago, and was badly swollen. He had the measles and this was, no doubt, an after-effect. I made him well by giving him Theodor's Black-Draught. I gave it to him three times a day for a month. I firmly believe it saved his life.

We always keep Black-Draught in our house. It is our doctor. Always easy to get and prompt in giving relief.

A small pinch of Black-Draught after each meal and at bed time for headache, stomach and liver trouble, and we are well the next morning.

It certainly works wonders sometimes and saves no end of trouble, relieves pain, and there is no need for another doctor.

I have recommended Black-Draught to all my neighbors and will continue to recommend it."

Theodor's Black-Draught is a pure, vegetable herb liver medicine, acting gently, yet promptly, on liver and bowels.

Thousands of people, everywhere, have found it to relieve constipation, indigestion, biliousness and many similar disorders.

Try Black-Draught. Your druggist sells it.—Adv.

HOSPITALITY TO SOLDIERS.

Chamber of Commerce Committee Discussed Plans for Entertainment.

The committee of the Chamber of Commerce, which has had the entertainment of Fort Caswell soldiers under discussion for some time, met Thursday afternoon at the Chamber to make further plans to take care of the week-end visitors from the fort. Chairman Roger Moore, Capt. E. A. Metts, Dr. A. H. Harris, Rev. T. P. Noe, Mr. J. Haughton James and Mr. J. B. Huntington were in attendance. Plans for lodging the men were widely discussed, as it developed that there was much need in that direction. It is desired to do this at the least possible cost. Additional cots will be placed at the Y. M. C. A. and the hotels are being asked to make room.

The regular dance will be held Saturday night and a basketball game has been arranged for at the Y. M. C. A. The ladies will also have their regular entertainment at the Y. M. C. A. Saturday afternoon from 4 to 6 when refreshments will be served.

Mr. J. Haughton James was made treasurer of the entertainment and hospitality fund and all contributions should be made to him.

RECORDER'S COURT.

E. W. Ward, white, who was before the court Tuesday and taxed with the costs in two cases, was again up, charged with assault with serious injury. Ida Ward, a white woman, who is said to be mixed up in the same affair, is charged with a similar offense. Both matters will be heard by the Recorder Thursday morning. All other cases were continued.

M. C. A., have been completed and tickets for his lecture, on sale at Elvinton's, are going rapidly. The coming of Mr. Bryan, one of the foremost men in the country and certainly one of the most widely known, is being looked forward to with genuine pleasure by all. The subject to be discussed, the relationship of man to government, is one of peculiar interest to all at this time.

Leather Shortage Hits Uncle Sam.

Washington, D. C., Jan. 30.—The eather mail bag which has been carried by Uncle Sam's letter carriers ever since the establishment of the free delivery service will soon become a thing of the past. The war is responsible for the passing of the leather bag, as it is responsible for many other changes that have come about in everyday life during the past year or so. So much leather is being used for military purposes now that it has become exceedingly scarce and is to be obtained only at a very high price. Under these conditions Uncle Sam has deemed it wise to practice the economy which he has been preaching throughout the land. Consequently it has been decided to do away with the leather bags used by the carriers and to replace them with strong canvas bags, which may not wear so long as those made of leather, but are much cheaper and answer their purpose equally as well.

Cash and Carry System.

Indianapolis, Ind., Jan. 30.—Indianapolis housewives are soon to be confronted with the alternative of doing their own marketing or seeing their cupboard go bare. As a measure of wartime economy the cash-and-carry system is to be put into effect day after tomorrow by order of the local food administrator. The rules will apply to the entire field of foodstuffs distribution. The grocery and kindred trades have greeted the announcement with expressions of approval and the prediction is made that the innovation will help materially to reduce the cost of living. Housewives are not so certain of this last-named point, but are hopeful that the prediction may prove correct. At any rate they are ready to give the new system a fair trial and to this end they are preparing to "go to market" and are ransacking cellars and attics in search of the old market baskets that were long since discarded.

QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts if your Back hurts or Bladder troubles you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become over-worked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Adv.

SHIP CAPTAIN KILLS MATE AND HIMSELF

An Atlantic Port, Jan. 30.—With her captain lost overboard after having shot his first mate dead on her deck, the Swedish steamer Angella put into this port late yesterday afternoon in command of her second officer, bound from another Atlantic port to a South American port. On the 27th, according to the narrative of the 22nd, Captain A. B. Walrus became deranged from drink and in an argument shot and wounded the first officer, G. R. Furst. The deed seemed to sober him and when he realized what he had done he stood upon the rail, fired a bullet into his head and jumped overboard.

The second officer took command and put on all steam in an effort to reach this port in time to get surgical aid for the first officer. Death won the race, with land in sight. Customs house officials took charge of the craft when she arrived in port.

An Illustration of the Best Life Insurance Policy Issued

Amount \$10,000
If death occur by accident while on a train, trolley, steamship or other common carrier, the policy pays \$20,000 instead of \$10,000.
Disability Protection
If permanently disabled before age 65 from any cause—accident, blindness, paralysis, tuberculosis, insanity, or anything else—all further premiums are waived and you receive an income of \$1,000 a year for life. At death the full \$10,000 is paid, regardless of the premiums waived and the income already paid to you.
Annual Cash Dividends
This policy pays dividends annually after the second year. Had this policy been in force for 100 years the dividends for 1917 alone would have been \$100,000. The longer it is carried the cheaper it becomes and the more it is worth.
Age at Issue, 55
Paid-Up Extensions
After you have carried this policy for three years you can stop paying and the Company will carry your insurance free for six years and 180 days. After 10 years the company will carry you for 21 years and 311 days, and so on.
Amount Obtainable
This policy may be obtained in any amount from \$1,000 to \$25,000, the latter sum being the Company's limit for this particular policy. Payments may be made annually, semi-annually or quarterly.
Policy Becomes Full-Paid
At age 65 all payments cease and \$10,000 goes to your heirs when you die, or you can have \$5,000 in cash for yourself.
The Company
The issuing company is the strongest in the world—assets \$50,000,000, 67—and it does business at a lower cost than any other, which accounts for the large dividends returned to policyholders.
If you need life insurance you want this contract. Exact details for your own age gladly furnished on request.
