

SHORT OF DESIRED GOAL BY THOUSAND

However, Campaign Captains and Workers Gratified Over Results

The three-day finance campaign of the Y. M. C. A., the object of which was to raise \$8,000, three-fourths of which is for local purposes and the remaining fourth for the benefit of work at Blue Ridge, fell short of the desired goal by \$1,790.07, but association leaders and workers are well pleased with the showing made and the executive committee hopes and expects to push the sum total raised to the \$7,000 mark. The campaign officially closed, however, Thursday evening, with \$6,210.93 either given or pledged.

The fact that the campaign opened at a time when events were transpiring rapidly in the city resulted in the team captains being unable to give their time as unsparsingly as they would under other conditions, but all are well pleased with the showing made and the continued activities of the association on the big broad scale as heretofore are assured.

The complete subscription lists represent only about 200 individuals and this means that the average subscription was approximately \$25. The list is one of the smallest in the history of the institution's campaigns and the average subscription the largest.

GRANITEVILLE MILL OPERATIVES STRIKE

Graniteville, S. C., Feb. 15.—Between five and six hundred operatives, men and women of the Graniteville Manufacturing Company, one of the largest cotton mills in the State, are on a strike for a 20 per cent. increase in wages. The closing down of the mills was made necessary by the walking out of the operatives.

Members of the Aiken county legislative delegation have appealed to the strikers to ascertain if the mills are working on government contracts and if they are to await a more opportune time to press their claims. There has been no disorder.

LIKE BOLT FROM HEAVEN'S BLUE

A happy discovery of Cincinnati chemist interests women here

Your high heels have put corns on your toes and calluses on your feet, but why care now?

A genius in Cincinnati discovered a magic ether compound and named it Q-ban. A quarter ounce of this freezone can now be had at any drug store for a few cents. Apply a few drops on your tender, aching corn or callus. Instantly the soreness disappears and shortly you will find the corn or callus so shriveled and loose that you lift it off with your fingers.

Just think! You get rid of a hard corn, soft corn or a corn between the toes, as well as hardened calluses for a few cents and without suffering one particle, without the slightest irritation of the surrounding skin. Just a touch of this marvelous freezone on a sore, troublesome corn gives instant relief.—Adv.

WITH THE RECORDER.

One Defendant Discharged; Youthful Prisoner Paroled.

Trial of larceny cases featured the Friday session of Recorder's court, but there was little of importance or interest to come before Recorder Harris. Judgment was left open in two or three cases.

In the case charging Louis Lowery, colored, with violating the hitching ordinance, prayer for judgment was continued upon payment of the cost. In the case charging Johnny Smith, colored, with operating an automobile without license, judgment was withheld until Saturday.

The case charging Lonnie Matthews, white boy, with larceny, was continued until Saturday. Preston Howard, colored, charged with larceny, will hear his verdict Saturday, judgment having been withheld until that time.

The case charging Eddie Stanley, colored, with larceny, was transferred to the juvenile docket and the defendant then paroled with Probation Officer Johnson, colored, for a period of 12 months. George Walker, colored, won his case and the action charging larceny was dismissed.

Taking of testimony in the suit brought by J. N. Bryant against W. D. Hackney, Sr., consumed the entire morning in Superior Court Friday and the issues were still being argued during the early afternoon. It is doubtful if the case is given the jury before late afternoon or Saturday morning.

Scuffers and Doubters

Why Let Prejudice Bind You to a Life of Rheumatic Torture?

Be fair to yourself, you suffer from rheumatism, no matter what form. Go to R. R. Bellamy's or any good druggist and get a package of Rheuma, the guaranteed prescription. Use the entire bottle, and if you don't think it has given you quick and sure relief, say so, and you can have your money back.

Isn't that a fair offer? Can you see any deceit or red tape about it? What chance do you take? Absolutely none.

Then get a bottle of Rheuma today. It's a reputable physician's prescription, altogether different from remedies usually prescribed, free from narcotics and perfectly harmless. Rheuma acts on the kidneys and helps to force the uric acid from the swollen joints and other lodging places. It pleases you in a day; it makes you hopeful and happy in a week. It has released from bondage rheumatic sufferers who thought nothing would give relief. It should do as much for you—it seldom fails.

Don't miss this money-back offer. A large bottle, sufficient for two weeks' treatment, is inexpensive.—Adv.
