

# JOHNSON STATES THAT HE IS OUT OF THE RUNNING

## Surrenders to McGlaughan and Will Not Ask for Second Primary

### SAYS CITY SHOULD HAVE REPRESENTATION

#### Withdrawing Candidate Made An Excellent Race But Favors City Candidate's Nomination

In a statement given out Wednesday afternoon, Mr. J. Herbert Johnson, successful and favorably known truck farmer of Cape Fear township, who ran third in the race for county commissioner, withdrew from the race, making a second primary, insofar as the commissionership is concerned, unnecessary, and automatically giving the nomination of Mr. W. P. McGlaughan, who polled a few more votes than he did in Tuesday's primary.

His opinion and belief that the city should be on the same footing as the county in the matter of members on the board, his interest in the Democratic party, his kindly feeling toward Mr. McGlaughan and his implicit confidence in the ability of his opponent to handle all matters coming before him in an intelligent manner and for the best of the city and county and unwillingness to put the county to the test, after Mr. McGlaughan had polled more votes than he had received, actuated him in making his decision.

The action of Mr. Johnson was of a magnanimous nature and showed beyond the shadow of a doubt that he has the best interest of the party and the county at heart. No one could possibly have blamed him had he insisted on a second primary. He made a "rattling" good race and his action stamps him as among the best losers the county has ever seen. Mr. Johnson does not believe that it would be right to ask the county to go to the additional expense of a second primary because he thinks the city should have equal representation on the board with the county. Of the two vacant places on the board, the city was entitled to one. Mr. McGlaughan was the only man within the confines of the city that was in the race. Mr. George W. Trask, successful candidate, hails from the same township in which Mr. Johnson lives and were he to insist on a second primary and succeed in vanquishing his opponent it would give Cape Fear two members on the board and cut the city's representation at the same time. Mr. Johnson does not believe and so expressed himself that this would be fair in any sense of the word and has decided to step down and surrender his rights to the other candidate.

Mr. Johnson is one of the most successful farmers of the county and it goes without saying that he would have made a splendid commissioner. He is progressive, broad-minded and straightforward and his action in withdrawing shows the material of which he is made.

#### CASES CONTINUED.

### Six Young White Men Charged With Assault Were Allowed Bond.

The cases against Clarence Hewlett, Frank Ferguson, Richard Brown, Walter Croom, Levi Merritt and Sam Watson, white, charging them with assault, their arrests growing out of an alleged attack upon a young soldier from Fort Caswell, Rome W. Potts, on Monday night, were continued in Recorder's court Wednesday morning because of the physical inability of the man assaulted to appear in court. Bonds in the sum of \$100 were required of Merritt and Brown to insure their presence in court when their cases are called, while the others were allowed liberty on \$50 bonds. All gave bail. The matter may come up Thursday morning.

Prayer for judgment was continued upon payment of the cost in the case charging Glazier Brown with an assault with a deadly weapon. The case charging Will Evans with larceny was continued until tomorrow.

#### To my Friends and the Public

I desire to express my appreciation as well as my gratitude to the voters of Wilmington Township for the expression of their confidence in me as an officer of the law. While I had no opposition in my candidacy for office the almost unanimous vote of the township is greatly appreciated by me, and a great stimulus to discharge to the best of my ability the duties incident to the office.

Thanking you again, I beg to remain,  
Respectfully  
JOHN H. DAVIS,  
Constable Wilmington Township.

### To the Voters:

I wish to thank you sincerely for the support given me in yesterday's Primary, and to assure you that I will continue to make every effort to discharge my duties in a satisfactory manner.

## COAST LINE REPAIR WORK IN NEW BERN

### Orders That Part of Work Be Done in Norfolk—Southern Shops

(Special to The Dispatch.)

New Bern, March 20.—A mix-up in shipping orders was responsible for 25 carloads of lumber, which should have gone to a shipbuilding concern at Charleston, S. C., being sent to another concern at Morehead City a few days ago and today this big shipment of lumber, containing thousands of square feet of timber, passed through New Bern en route to its proper destination.

Just how the mix-up in orders occurred is not known and no explanation has been attempted. There has, of course, been a delay of several days in the rightful owners securing their lumber, but this is now on the way to them.

Although nothing definite has been given out in regard to the matter, and local railway men do not seem to know exactly what will be done, it is rumored that the Atlantic Coast Line Railway Company has been ordered to have all of the repair work done on the cars used on the New Bern to Wilmington division attended to at the local shops of the Norfolk Southern Railway Company.

It is said that this order came from Washington and that it would be put into effect within the course of a few days. The men at the local shops of the Norfolk Southern Company were today asked if the order had been transmitted to them and they stated that they had heard something in regard to it but this had not been definite.

The repair work to the cars on the New Bern-Wilmington line is rather extensive and would consume considerable time were it attended to at the local shops.

John, a young son of Mr. and Mrs. Fred Whitty, suffered a painful accident yesterday afternoon when he fell from the porch at the home of one of his young playmates and broke his left arm just above the wrist.

The lad in some way lost his equilibrium and fell backwards from the porch, landing on his left arm. Medical attention was rendered as quickly as possible and although he suffered greatly last night, his condition this morning was greatly improved and he was resting fairly well.

Friends in New Bern are today greeting Rev. Bartholomew F. Huske, formerly rector of Christ Episcopal church, this city, but who is now a chaplain in the United States navy with headquarters at Norfolk, Va., and who is here for a short visit.

Rev. Mr. Huske appears to be in better health than ever and that he is well pleased with his work in the navy there is not the least doubt. He will remain in the city several days.

Dr. Frederick A. Cook, explorer, lecturer and the man who claims to have located the North Pole, left New Bern today after making a most interesting lecture in Griffin auditorium last night, a lecture which was heard with interest by a fair-sized audience.

Dr. Cook told in a most interesting way of his visit to the North and of the modes and customs of the people of that section of the world and his manner of narrating his trips was such that the attention of every one in the audience was held.

As a whole, the lecture was one of the most interesting that has been heard in New Bern in many days.

### TO THE LARGE NUMBER OF VOTERS:

Who gave me their support in Tuesday's primary, I desire to express my deep appreciation. The complimentary majority rolled up for me I consider an endorsement of my record for the past two years.

While I continue in office the law will be executed without fear or favor.  
GEO. C. JACKSON,  
Sheriff New Hanover County.

### TO MY FRIENDS AND VOTERS:

I wish to express to you my sincere appreciation of the generous support accorded me in yesterday's primary.

W. P. McGLAUGHAN
