MOUNT OLIVE BOOSTING LIBERTY BOND SALES

Half of Her Quota Was Raised at Friday Afternoon's Rally

(Special to The Dispatch.)
 Mount Olive, April 13.—The campaign for the sale of Mount Olive's allotment of the third issue of Liberty Bonds was given quite an impetus at a Liberty Loan rally and patriotic parade held here Friday afternoon. For several days the program of the event had been carefully planned for by a committee of local representative citizens, appointed by the chairman of the local Liberty Loan committee; and so, notwithstanding the inclement weather, at the appointed hour—2 p. m.—on the graded school campus assembled a throng of upwards of 2,000 people—school children of Mount Olive and from other nearby schools, grown-ups, etc.—where the line of march, headed by the local council of Jr. O. U. A. M., and led by the Rocky Mount brass band, proceeded through several of the principal streets, finally returning to the school campus, where for about an hour they listened to an unusually strong address on the war, America's part in it, and the duty of every American citizen at this time, by Dr. A. D. Wilcox, of Goldsboro.

Immediately upon the conclusion of Dr. Wilcox's address, the drive for the sale of Liberty Bonds was begun by a number of earnest solicitors, and by night the result totaled about \$30,000, approximately half of Mount Olive's quota.

A committee of 30 will continue to push the sale of bonds during the remainder of the campaign, with highly satisfactory results anticipated.

LUTHER DAIL DEAD.

Well-known Duplin Farmer Passes Away.

(Special to The Dispatch.)
 Mount Olive, N. C., April 13.—Luther Dail, a well-known Duplin farmer, is dead at his home, three miles southeast of here, at a ripe age, death resulting from a prolonged siege of ill health. Interment in the family burying ground this afternoon.

The present and recently past unseasonably cool, damp, weather, while it has unquestionably retarded the growth of early vegetable crops in this section, the light frosts nipping some of them in some places, yet the damage is certainly lighter, so far, than it would have been had it not been cloudy at night, preventing most of the damage that heavier frosts would have done. But there will quite likely be much replanting of corn and some other vegetables, due to the fact that seed already in the ground has rotted.

It is reported that the Turkish government is organizing a labor battalion for which women between 18 and 30 years of age are invited to volunteer. The battalion will eventually be offered by women and be employed in eight-hour shifts behind the front.

Many of the older residents of the county will regret to learn of the death of Rev. Evander McNair, formerly of this county, which occurred in Colorado at the age of 87 years.

People here are busy planting cotton, and setting out tobacco plants. More corn, potatoes, peas and all kinds of vegetables are being planted this year than ever before. All are bent on feeding the boys in the army. Everybody is trying to do their bit.

A few nights ago a vaudeville was given in the Opera House here by all-home talent, in which \$107.50 clear money was made for the Red Cross work. Mrs. Irene McLeod Nash, one of our most enthusiastic and intelligent ladies, was the prime mover in getting up the entertainment.

Every Democrat in Robeson and practically all of the women endorse the action of the State Democratic convention in Raleigh on Wednesday, in refusing to endorse woman suffrage. Woman has a nobler mission in this world than dabbling in politics.

Presbytery of Fayetteville meets with the Presbyterian church of this place the 23rd inst., at 7:30 p. m.
