An Illustration of the Best Life Insurance Policy Issued

Amount \$10,000
Double Indemnity
If death occur by accident the policy pays \$20,000 instead of \$10,000.

Age at Issue, 35
Paid-Up Extensions
After you have carried this policy for three years you can stop paying and the company will carry your insurance free for six years and 180 days. After 10 years the company will carry you for 21 years and 211 days, and so on.

Disability Protection.
If permanently disabled before age 65 from any cause—accident, blindness, paralysis, tuberculosis, insanity, or anything else—all future premiums are waived and you receive an income of \$100 a year for life. At death the full \$20,000 is paid, regardless of the premiums waived and the income already paid to you.

Annual Cash Dividends
This policy pays dividends annually after the second year. Had his policy been taken out in 1907 the dividends for 1917 alone would have been \$125. The longer it is carried the cheaper it becomes and the more it is worth.

Loans
After the second year you can always borrow from one-third to two-thirds of the amount you have paid in without jeopardizing the policy, and you can secure the loan by leaving the policy free of debt in case of death.
