## ALLIES SHOULD TELL RUSSIA ABOUT VICTORY

Daily Express Thinks German Boot Will Stimulate Resentment Soon

London, June 8.—The entente allies have a great opportunity for a combined diplomatic offensive with a view to explaining to Russia and the Austrian Slavs what an allied victory will mean for them, in the opinion of The Daily Express. The newspaper calls upon the allies to translate vague references to self-determination into concrete terms and to let their pronouncement appear above the signature of the United States as well as the European allies.  
"The German jack boot is heavy and the foot within it is ruthless and vigorous. The foot stamps and the boot grinds, but men are sometimes made of hard metal. The crushing may be incomplete and may stimulate resentment sooner than subjection," the Express says.  
"These recollections are suggested by the present conditions in Russia and Austria," it continues. "The better details of the Brest-Litovsk treaty are understood the more general is Russia's discontent and hostility."  
"She is out of the war, but remains in front of the peoples who abhor Prussian tyranny with all their souls. A patient people grown familiar with injustice, the Russians are capable of stolid, passive resistance, flaring up now and again into blind revolt, which is already worrying their German conquerors."

**SILVER DOLLARS ARE MADE INTO RUPEES**  
Washington, June 8.—American silver dollars now have been transformed into rupees of British India, and other small coins used to pay Indian soldiers. In exchange, the United States government has obtained a quantity of rupee credit on foreign exchange for use of importers in paying their debts in India.  
About 62,000,000 silver dollars now have been melted into bullion under the recent silver bill, according to a treasury report today, and most of this has been shipped to India.

## PRISONERS BEEN TAKEN BY BRITISH

London, June 8.—British troops took prisoners and inflicted casualties in raiding and patrol actions along the northern part of the front last night, the war office announced today. The statement reads:  
"We captured a few prisoners last night in a successful raid in the neighborhood of Hulluch. Our patrols inflicted casualties on the enemy in the Strazeele sector and captured a machine gun."  
"The hostile artillery has been active north of Albert and southeast of Arras."

**Eleven Germans Arrested**  
San Juan, Porto Rico, June 8.—Eleven Germans, including F. Schomburg, the Swedish consul, and Hanks Hupfer, representative of a United States commercial agency, were arrested on presidential warrants last night at the order of Governor Yager. Police have been stationed at the homes of enemy aliens throughout the island as a precaution against possible attacks.

Perhaps daylight saving is responsible for the Detroit Tigers' sad plight. At any rate, the more daylight that is saved, the more daylight shows between the Tigers and the American league leaders.  
Max Carey is again flirting with the base-stealing championship of the National league. You can't take it away from the Pirate gardener, he's a wild and wooly bandit on the paths.

The way the Braves have been tearing through the National league of late recalls the summer of 1914, when Stallings piloted a trick team to a world's championship.

It is said that John McGraw complimented Manager Bezdek on the fine showing of the Pirates. Wonder which one of the Pirates John is anxious to kidnap for the Giants.

Are at Issue, 35  
Paid-Up Extensions  
After you have carried this policy for three years you can stop paying and the Company will carry your insurance free for six years and 123 days. After 10 years the company will carry you for 21 years and 311 days, and so on.

The Company  
The issuing company is the strongest in the world—assets \$866,988,841.50—and it does business at a lower cost than any other, which accounts for the large dividends returned to policyholders.
