

The WINCHESTER Stores

Important news for every fisherman in Wilson

With the opening of the fishing season this spring we introduce our new stock of Winchester fishing rods, reels and bait.

The right fishing tackle has a lot to do with your luck in bringing home a good catch. Winchester fishing tackle is designed by experienced fishermen—for fishermen who appreciate the "just right" outfit.

Let us outfit you for good luck.

Winchester Split Bamboo Rods combine strength, action, balance and fine finish. They are strong, light—made by experts. Fly rods, bait rods and casting rods. All styles and prices.

Winchester Reels are made with the maximum of manufacturing skill—single action, double action and quadruple action.

WOULD ALLOW FOREIGN OWNERS TO EXPLOIT PROPERTIES

Paris, April 4.—Measures are being taken by the Russian Soviet government to allow foreign owners of manufactures in Russia to exploit their properties under a regime similar to that established for the mines, it was announced in a wireless from Moscow sent out by the Soviet government.

No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

EXPLOSION ON SHIP AT SEA.

Charleston, S. C., April 5.—When the Standard Oil company tanker O. T. Waring darted into Charleston harbor early yesterday for medical aid, members of the crew had a hair-raising story to tell of a terrific explosion of gasoline fumes the night before, this burning three members of the crew to such an extent that one, William Reins, of Jacksonville, Fla., a pumper, later died at a hospital here.

BIRTH CAROLINA CONDUCTOR MAY LOSE SIGHT

Richmond, April 5.—Aaron W. Anson, freight conductor on the Richmond, Fredericksburg and Potomac Railroad, who was hurt in the collision of a carload of black powder at Fredericksburg Sunday, may lose eyesight as a result of his injuries. It was said today that he had been unable to see since the accident. Physicians are still hopeful of regaining his sight. He was burned on the face, neck, arms and hands. He is originally from North

Carolina, being a son of the late Rev. Jordan Walker Johnson, Primitive Baptist preacher of near Rocky Mt. He has a brother, Byron Johnson, farmer, who lives near Tarboro, and a sister, Mrs. E. D. Gordon, of Rocky Mount. His wife, who was Miss Essie Bell, of Whitakers, is at his bedside in a Fredericksburg hospital.

178 NEW BODIES OF AMERICAN DEAD FOUND

Mash.—Maj. Gen. H. L. Rogers Q. M. General of the Army, announced today that the men of the Cemeterial Division who are searching every square foot of the battlefields in France, have found 178 new bodies of American soldier dead, of whom 132 are positively identified. There are 46 bodies not capable of being identified, but of these there are seven which still have possibilities of identification. Of all the bodies thus located, 50 were found in the vicinity of the cemetery at Romagne, and were reburied there in the beautiful plot which will be a permanent American memorial.

This materially reduces the list of missing, and as soon as possible the names of those bodies that were identified will be sent to the relatives of the soldier dead. Recently 28 bodies were inspected by a medical officer on their arrival from overseas at Hoboken, N. J., in order to check up on the care taken in preparing them for the last journey. In every case the dead were found to be treated with all possible professional skill and care. A United States Senator who came to view the remains of the son of one of his constituents also observed the condition of many other bodies and was profoundly impressed with the reverent care taken of all.

DRAINAGE CONVENTION

Chapel Hill, April 5.—The acceptance of Mr. Mark W. Potter of New York, a member of the Interstate Commerce commission, to address the drainage convention which meets at Elizabeth City April 12 and 13 was announced today by the Secretary, Joseph Hyde Pratt. Mr. Potter is a land in Beaufort County. He is using this land mainly for the growing of fine breeds of hogs and cows and he will make dairy farming and cattle raising on the reclaimed lands of eastern North Carolina the subject of his talk.

MASTERS ART OF MAKING WOODEN LEGS

York, S. C., April 6.—Dr. W. E. Irwin, 84, oldest white male citizen of this city makes wooden legs. The doctor lost his own right leg by a shell during the War between the states. He built a wooden leg according to his own notion and he has been making them for other people ever since.

R. F. AND P. RAILROAD HAS BIG EXPLOSION

Fredericksburg, Va., April 3.—Two men were injured, at least six freight cars were destroyed and traffic was blocked for hours this afternoon when 40,000 pounds of black powder in a car exploded in the freight yard here. The injured

are A. W. Johnson, conductor, and A. R. Brown, brakeman.

The blast could be heard 10 or 15 miles distant. Glass windows and plastering in homes and stores throughout Fredericksburg were damaged. The extent of damage could not be estimated tonight, but it is thought the total will be high.

WON'T RELEASE DRAFT EVADER

Topeka, Kansas, April 5.—Efforts of Erwin R. Bergdoll, Philadelphia draft evader, to obtain his release from the army disciplinary barracks at Leavenworth were defeated today when Federal Judge Pollock of Kansas City denied Bergdoll's application for a habeas corpus. The decision was filed in Federal Court here today.

A TONIC

Grove's Tasteless Chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value. Grove's Tasteless Chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 60c.

PRESIDENT NOT COMMITTED TO A PEACE PROGRAM

NO DEFINITE PROGRAM

Opening Session of Congress Will Probably be Addressed by the President in Person at Which Time He Will State His Views as to Peace Program to be Adopted.

Washington, April 5.—President Harding is not committed to any definite program with regard to a congressional declaration to declare the state of war with Germany at an end.

The President's view with regard to a program are expected to be made known at the opening session of the new Congress which the executive may address in person. In the meantime it is known the president and his advisors are becoming more and more convinced there is no more practical way to consider the Versailles treaty.

While the President voted for the Knox resolution while a member of the Senate and spoke favorably in regard to it in his speech of acceptance he feels no occasion for precipitous action at this time.

MANY BOMBS FOUND IN SECTIONS OF BERLIN.

Berlin, April 5.—Mysterious parcels containing explosives have been discovered during the last 24 hours by the police in various sections of Berlin. Some of them were found in private residences on door steps, in hall ways and along tracks of elevated railroads. Each of the packages was supplied with a fuse ready to be lighted.

Police officials declared the Communists had planned a reign of terror here during the recent disorders in Central Germany. Their purposes was said to be "to frighten the bourgeois classes and encourage timid comrades to join in the revolt." Belief is expressed that Max Hoelz, known as the "German Robin Hood" supplied local Communists with quantities of explosives from Central Germany mining districts and that he personally drew up plans to spread terror throughout Berlin.

CHARLES HAS LEFT HUNGARY AT LAST

Budapest, April 5.—Former Emperor Charles departed from Steinamanger in West Hungary near Australia border at 10:35 this morning on his way to Switzerland.

Premier Telsky made this announcement in the national assembly this afternoon.

AUSTRIA DEMANDS CHARLES' DEPARTURE

Vienna, April 4.—The Austrian cabinet has notified the Hungarian government that unless an early date is set for the certain departure of Ex-Emperor Charles the Austrian government will cancel his safe conduct. This notification has evoked the promise from Hungary that Charles will leave within 48 hours from Sunday night.

To Cure a Cold in One Day
Take LAXATIVE BROMO QUININE (Tablets). It cures the cold, breaks up the mucus and works off the cold. E. W. GROVE'S signature on each box. 50c.

AMERICAN DEMANDS ARE NOT CONSIDERED TO BE CONSISTENT

BRITISH EXPRESS VIEWS

Secretary Colby's Note Last November Contending for Equality of Treatment for Citizens of All Nations in Mandated Territory Held "Scarcely Consistent".

London, April 5.—American contentions for equality of treatment for the citizens of all nations in mandated territory are held by the British government to be held "scarcely consistent" with the attitude of the United States toward American oil interests in Mexico.

The British view is expressed in a long reply to Secretary Colby's note of last November 20 which was made public here today.

TRAIN BANDITS STEAL DENATURED ALCOHOL.

New Orleans, April 5.—Armed bandits climbed aboard a moving Texas and Pacific freight train between Gouldsboro and Gretna early today, broke the seal of a box car held off the train crew with revolvers, and rolled from the moving train 15 drums of denatured alcohol.

THE FUNERAL OF LT. ROBERT ANDERSON

People from the adjoining counties as well as this crowded the spacious Methodist church yesterday afternoon to pay honor to the memory of the brave young man, the first to fall from Wilson county, in defense of his country.

The services at the church and at the cemetery were very impressive. The casket draped with the American flag was borne by comrades of the deceased soldier, with the War Mothers and the members of the Robert Anderson post followed the remains to the church and to their last resting place in Maplewood cemetery, where a squad under the command of Captain Batts of the Wilson military company fired a salute of three rounds. The grave was covered with hand some floral designs, mute testimonials of friendship and esteem.

Rev. Mr. Love, pastor of the Methodist church, was especially eloquent and touched the hearts of those who heard him as he recounted the brave deeds of the young man both in his private life and his conduct on the field of battle. He said that Robert Anderson when wounded twice did not think of himself but enquired as to whether his men were safe. The many good qualities of our hero, his friendships, his universal popularity, his record at college came in for praise. But best of all said the minister his devotion to his church and his belief in a better life beyond is a consolation to us all, and sets an example to inspire every one. He loved his Maker, and he was called home to ever be with the Lord.

Mr. Love read from the words of the Saviour, "Let not your hearts be troubled. Ye believe in God, believe also in me," and from Revelations concerning the eternal city, the New Jerusalem.

Appropriate hymns were rendered by the choir.

LIVES LOST IN SINKING OF BIG PASSENGER SHIP

WRECK OFF WEST COAST

Collision of Steamship Governor and Steamer West Hartland Resulted in Sinking of the Former and Ten Lives Are Lost. Hartland Badly Damaged.

Seattle, Wash., April 1.—Nineteen persons, including sixteen passengers and three members of the crew of the steamship Governor, may have lost their lives when the big liner sank early today after being rammed by the steamer West Hartland. A check up of the survivors arriving on the West Hartland disclosed that nineteen persons carried on the Governor have not been accounted for.

PLAYGROUND SHOW A BIG SUCCESS

(By A. Scrub).
The Kenan Street School children

took their parents and friends back to days of youth last night in the big play show at the Center Brick Warehouse; and also demonstrated the fact that the modern kid has it all over what "Daddie and mother" use to do on the old school playground. Under direction of their teachers the lads and lassies played every known playground game.

With a bang the show opened at 8 o'clock; the Kiddies all full of pep, energy and go-fast, went after the games with a rush, and they sang, played, and raised a racket to their hearts content. Miss Williams and Miss Wells youngsters made quite a hit with their singing games, as also did the second grade children under the direction of Mrs. Cox and Miss Lovelace. These grades gave an excellent exhibition of child play and recreation.

The fourth grade girls and boys played volleyball and indoor baseball for fifteen minutes, and made the spectators applaud many a good play. Both the boys and the girls under the leadership of Miss Mary Keyserling played a classy article of ball. Miss Jones and Miss Brit led the third grade kiddies in a number of very interesting relay races and group games which took the house by storm. Captain ball the most modern of the girls games was played by Miss Stanberry's sixth grade girls, who staged well played, and classy style of the passing contest.

Miss Townsend's fifth grade girls put up a very good exhibition of Newcom; a game very like volley ball only played without the net, and kept the crowd in a good humor and an uproar with their antics. The basketball games were interesting and full of good plays; both the girls team and the boys quintet showed that they had been well trained and coached by Misses Ruth and Mamie Barville. The boys under the leadership of Miss Stanberry staged a star game of hand polo which is the newest of the boys games, and the fifth grade boys out did all others in an old fashion game of scrimmage ball.

The show was well attended and every one seemed to be in a good humor, ready and willing to enjoy themselves and have a good time in general. The playing space was laid out on the order of a three ring circus, there being three games going on at the same time. The courts for the various games was marked with chalk, and easy to see from every part of the arena. As a whole the entertainment was a success in every way with no accidents to mar it, and both the children and the grown-ups having the time of their lives.

NEWBERO MFG. CO., Atlanta, Ga.
AGENTS WANTED. Write for Terms.

Manager Clark had his hopefuls out for the first time yesterday afternoon and according to the fans who were lucky enough to see them in action they look good. There are a large number of youngsters in camp, and they look good. A thing that impresses all who are interested in the success of the team for the coming season is the fact that practically every new man signed is a young man. This differs considerably from the personnel of the squad last season for then the bulk of the players were older men who had no future. This season the Wilson Club is going to be composed of young, hustling ball tossers who have prospects of advancement, and in addition there will be more hustle and fight on the team that characterizes the activity of older players.

Clark is quite well pleased with the showing made by several of the new men. Schott at first made an unusually fine impression and looks like a real ball player. Talley the catcher is a husky youngster and can hit 'em a mile. Of course the first work out does not give an opportunity to find out anything definite about a ball player. The wise ones take care of themselves during the first few days of training and will not let themselves out. If Old Jupiter Pluvius will only be as kind for the next week or so as he (L. J.) has been during the past few weeks the team will be whipped into shape rapidly. The first exhibition game is just a week off now and fans are eagerly looking forward to it. Toronto will play here next Friday and

Saturday and on the 11th, the strong independent team known as the Taka-Cola Ball Club of Richmond will be here. On the 14th New Haven piloted by Chief Bender will appear on the Wilson ball field for a game and then the Raleigh team of the Piedmont League will be here on the 15th.

New men arriving since yesterday are Pitcher Shepherd, Catcher Woodward, and Shortstop Walker. Shepherd is from Kentucky, Woodward a North Carolina boy, and Walker hails from Alabama. Shepherd is a big, loosely built young fellow and if appearances count for anything he ought to have a world of stuff. Walker is the short stop who has made such a wonderful record in college ball for the past few seasons. He was in the Million Dollar League last Summer and hit more than 330 for the season in addition to having a wonderful fielding record. Woodward was the first string catcher for the Scotland Neck team in the Eastern Carolina League and made an enviable record while there. In addition to the men mentioned above Mark Webb came in last night and is looking fine. He seems to be somewhat lighter than last season and says that his arm is just as good if not better than ever before. It is believed by those who know what Webb has on the ball that under the tutelage of Tom Clark that he will develop into a star of the first magnitude.

The local management announces that terms have been arranged with Ty Smith the young outfielder recently purchased from the Richmond Club. Smith will report early during next week and reports that he is already in good condition. He hails from Chattanooga, Tenn., and has been farming during the past few weeks. It is remembered that Smith last season was one of the very best ball players in the Virginia league. He hit for 310, only had about a dozen errors credited against him for the season and stole 24 bases even though he had a Charley Horse during greater part of the season. We feel that we are lucky in securing this speed demon for the local club, and it now begins to look as if we have a well rounded bit of talent.

Clark has signed nine pitchers, and some of them look mighty good. In addition to the men brought over from last season the additional ought to give us pitching strength gained in the pitching department from the new men signed second to none in the League. Announcement of the names of some of the new pitchers will be made in the next day or so.

Bill Meehan reports that he will be in during the early part of next week. He has been working out at home some recently and should be in the pink of condition when he reports.

Colds Cause Urin and Inflammation
LAXATIVE BROMO QUININE Tablets remove the cause. There is only one "Bromo Quinine." E. W. GROVE'S signature on each box.

WAGE REDUCTION FOR THE SEAMEN

Washington, April 1.—The shipping board has ordered a reduction in wages of seamen employed on American vessels on the Atlantic and Gulf coasts.

The decision was reached after a conference between the chairman of the shipping men's union and representatives of the American Steamship Owners Association.

Specific plans outlining changes in the hours and reductions in wages will be announced later.
