SOON BE TIME TO TURN OVER A NEW LEAF

The first of the year is a good time for breaking loose from habits. We feel sure that many people in this community who do not trade with us, are really convinced that it would pay to do so, yet they continue the HABIT of going to the store which is most convenient. Break the habit of indifferent drug buying. Let us serve you regularly during 1919.

CLOSING ORDER REMOVED

The board of health of the city and county of Wilson met with the following members present: W. F. Woodard, chairman; C. L. Coon, Jno. R. Raines, J. J. Amerson and Mayor Killete.

On motion of Mayor Killete it was ordered that the closing order on all schools (except Stantonsburg white school), moving pictures, theaters, Sunday school and public meetings be rescinded, to take effect December 30, 1918, at 6 a. m.

The quarantine regulations as to individual cases of influenza remains in force. Children from homes where influenza exists will not be allowed to attend school or any other public meeting place.

L. J. SMITH, Sec'y.

In explanation of the action of the board in allowing these institutions to reopen, we wish to say that the board was not unmindful of the number of existing cases of influenza. The action is based on the belief that we will continue to have cases of influenza, more or less, all the winter, but with the quarantine regulations and the immediate supervision of the teachers over the school children, we hope to minimize the dangers of spreading the disease. The avoidance of unnecessary crowding in public meeting places on the part of the adult population will do much to prevent the spread.

Don't stand or sit in close contact to "loud-mouthed" talkers who insist on spraying you with his spittle. Go in "reverse gear" and "back up."

Don't sneeze or cough into the face of your friend and don't allow him to do so. If you must sneeze or cough hold your handkerchief over your nose or mouth.

Don't stuff yourself with patent medicines which are advertised to prevent and cure influenza. Live a sane, normal life, eat plenty of nourishing food, but do not overload the stomach.

Take a cold sponge, shower or tub bath each morning and you will not take cold. Get all the fresh air you can, both day and night. These are God's own remedies and cannot be improved by man.

L. J. SMITH,
Health Officer.

REOPENING OF THE SCHOOLS

The schools of the town of Wilson will open next Monday. The county board has fixed December 30 as the date for the beginning of the compulsory term. All children 8 to 14, white and colored, must attend school four months from December 30. This applies to all the schools of the county and town.

On account of the loss of time due to the influenza epidemic, it is urged that parents have their children in school every day possible from now on to the end of the term.

CHARLES L. COON,
Supt. Schools.

If you have some one among them, we know how glad you'll be to see him; everybody will be glad to see him; he belongs to all of us.

While he has been doing his share in "the big thing" we folks at home have been trying to do ours; it's been as important as we could make it. Now we've got a chance to do something directly for the soldiers and sailors themselves.

Our part is to supply the good stylish civilian clothes they'll want. And to give you men at home the stylish clothes "our boys" will want to see you in. We can't do better than
