**WHAT A RICHMOND PAPER
SAYS ABOUT FREIGHT RATES**

When a paper in the town that is
benefitted as Richmond has been and
is on account of freight rates which
gives that place a manifest advan-
tage over the entire state enabling it
to control a large share of the whole-
sale business coming into North
Carolina, speaks out in the follow-
ing terms it is about time for the
people of North Carolina to wake
up and do something. We quote
from the Merchant's Journal of
Richmond:

"The rates imposed on interstate
shipments to and from North Caro-
lina are abominably iniquitous, to-
tally unjust, glaring discriminating
and have been attained by the rule
of avarice, exacted by the greed or
the necessities of a powerful mono-
poly that subjected the shippers to
all the hardships and oppressions
that they could impose. North Caro-
lina is one of the greatest of the
Southern States. It has been denied
the full growth of its natural re-
sources and an expansion of the en-
ergies of her splendid citizenship by
these devilish extortions imposed by
the railways. Is it not time that
these discriminations which have
been maintained in spite of law and
in spite of justice should be remov-
ed? All speed and power to those
who are fighting this fight. It ought
not to be a group of men, but every
citizen should be aroused to help in
removing the heavy shackles that
have prevented the natural growth
of the Old North State."

**More Volunteers for Red Cross
Nursing Class Needed.**

After finishing the course of in-
struction given the first class in Wil-
son by Miss George, several ladies of
the town expressed regrets that they
failed to get the course. Several
days ago announcement was made
in the Daily Times that Mrs. Elean-
or Wilson, a Red Cross Nurse who
is now in Lucama instructing a class,
would begin another class in Wil-
son on October 20th to 28th. We have
not yet had enough volunteers for
this class. Therefore a second call
is necessary.

Mrs. Wilson has just finished giv-
ing the course of instruction to a
large and enthusiastic class in Stan-
tonsburg. Every one seemed to be
very much pleased with her, and she
in turn is delighted with the eager-
ness of the class to learn something
about "Home Hygiene and Care of
the sick."

L. J. SMITH,
Health Officer.

FEDERAL COURT TODAY

The federal court in session here
with Judge H. G. Connor presiding
is making the penalties heavy on
the distillers. He seems to think
that is the only way to break up
distilling and enforce prohibition;
and he is right. The distressing sit-
uation that exists in parts of Nash,
Johnson and may develop in Wil-
son county indicates that he is right.

George Batson, Jesse Stokes, John
Ruffin and Charles Holloman sub-
mitted on the charge of distilling
and were given a year and a day in
the Atlanta prison.

P. G. Bolin submitted for distill-
ing and was given three years in
Atlanta and was fined \$500 in addi-
tion. Walter C. Moore was acquit-
ted on the charge of distilling.

Patrick Davis submitted on the
charge of moving and concealing
liquor and was fined \$10 and costs.

J. E. Howell, A. H. Sadler and
Sidney McKinne were up for distill-
ing from Wayne county, are now
being tried.

An important case that will prob-
ably come up before this court is
that of Sadie May Nolley, who mar-
ried a Mr. Dail, and represented
that she was also a beneficiary of a
trust by the name of Rigsby, who

was also in the service and pay of
the United States government. Her
acts constitute fraud against the
government.

Funeral of Mrs. Taylor.

The funeral of Mrs. Will Taylor
was conducted from her late resi-
dence on Herring avenue at four
o'clock yesterday afternoon by Rev.
I. N. Mercer. The following pall-
bearers officiated: Messrs. L. M.
Gardner, S. D. Harrell, R. A. Tur-
lington, C. W. Stokes, George Allen,
J. R. Boswell, Frank Whitehead and
H. A. Hill.
