The Twin City Daily had the following in a late issue:

"Mr. Jesse F. Grubbs, a leader among the Republicans of this county, was in the city today. He called upon a firm with which he had been trading to settle a small bill. When a receipt was handed Mr. Grubbs he remarked to the clerk that there was one more receipt that he wanted, and that was a receipt in full to date from the republican party. The good-natured clerk extended his hand and offered his congratulations to Mr. Grubbs upon his noble resolve to end his dealings with the Republican party. Mr. Grubbs will be welcomed into the Democratic fold by the Democrats of Forsyth."

There are others like Mr. Grubbs in the State who are desirous of a like receipt, but haven't the manhood to ask for it.

THE Reidsville Review's last issue was headed the "Henry W. Grady issue." Buy one for 5 cts. to help raise the monumental fund. The issue was a good one, containing a sketch of Mr. Grady's life; his speech in 1886 at New York and the various comments upon it; also the last which he delivered at Boston, which was the crowning effort of his life and which ended his noble career. The cut it contained of Grady was good. Last, but not least, the editorial from the pen of the editor was a brilliant and shining tribute of respect. Such enterprise as the Review manifests is sure to make it stand without a peer in the State as a weekly.

AFTER ten years of honorable service Judge Gilmer retires from the bench with the respect and love of the people of North Carolina. The Governor has named Thomas B. Womack, Esq., of Pittsboro, for the vacancy. The Raleigh papers speak in high terms of the new judge. He will hold his first court here in two weeks. Among those who were pressed for the place we notice the name of Robert W. Winston, Esq., of Granville county. Mr. Winston was strongly endorsed by the bar of his district and by prominent men all over the State. Our people are proud of this young distinguished son of old Bertie.

It is stated that an English syndicate has bought the Blackwell Durham Bull Smoking Tobacco Co. for \$3,000,000, and that W. Duke & Co. have sold their plant for \$6,000,000, and that a New York syndicate is negotiating with several tobacco manufacturers for their plants at Winston.

CALVIN S. BRICE has been elected to the United States Senate from Ohio. The New York World took some pleasure in censuring Brice for some acts which he is alleged to have committed while Chairman of the National Democratic Executive Committee because it did not suit that journal in all of its whims.

The Tarboro Banner begun the second year of its existence with the issue of the 17th inst. The Banner is a bright, interestingly new sheet, and we congratulate its editor upon its second birthday. May it live to reach the age of a centenarian.

CAPT. EVAN P. HOWELL, the chief owner of the Atlanta Constitution has taken the place of editor in chief, and his son Clarke who is only 26 years old succeeds Henry W. Grady as managing editor. Atlanta believes in young men.

SENATOR JOHN W. DANIEL, of Virginia, will deliver an address on the 25th inst. at Richmond on the life and character of President Jefferson Davis. As an eulogistic speaker Senator Daniel has no superior.

THE unveiling of the Lee monument will take place at Richmond on May 15. Gov. McKenny has issued a circular of notification to the mayors of cities throughout the State.

JUDGE KELLY, aged 76, died at Washington, D. C. on the 9th inst. He was a leading Republican member of the House, and was familiarly known as "Pig Iron Kelly."

A DISPATCH announces the death of Walker Blaine from pneumonia. It is sufficient to say that he was Solicitor of the State Department.

HENRY W. GRADY'S last words to his mother were: "Tell my mother I died for the South, the land I loved."

THE Atlanta Constitution has put on a new dress. It is the best weekly published in the South.

THE South has two monuments to build; one to the memory of Davis and the other to Grady.

WHERE will the World's Fair be held? At New York, Washington, Chicago or St. Louis?

TALMAGE, after an extended trip through the Holy Land, is on his way home.

BOYLE has been granted a new trial by the Supreme Court.

COMMENT.

[Editorial Correspondence.]

The people of the South may be slow in many respects, but when they decide to erect a monument they simply erect it, and warrant that the Jefferson Davis monument will be completed long before the New Yorkers finish the monument to Grant.—Arkansas Traveler.

Yes, when the Southern people form a determination to do anything they rarely fail in the undertaking.

Grant ought to have a shaft erected to perpetuate him in the memory of the North if they wish him to be remembered, for it would take something like enduring marble to keep Grant's name alive, though I do not intend or mean to say that Grant was not a great man in many respects.

While the South will erect many monuments to the memory and honor of President Davis he needs nothing of the sort and the South is fully aware of the fact but the erection of the various monuments to his memory is only a token of respect and love which the South has for her noble Statesman. History will take care of President Davis; too much has been written of his greatness for his name to die. The North alike with the South has never attempted to gain say his ability; his penetrating mind; his far-seeing tact, and his judicious judgement. For the world in its catalogue of great minds has Davis' name written in indelible characters on its pages of renown. And so long as the Amazon pours its waters into the boundless ocean and the Nile seeks the Mediterranean so long will his name live.

ABRAM PRISTIS.

REMARKABLE RESCUE.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lung; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she

bought a bottle and to her delight found herself benefitted from first dose. She continued its use and after taking ten bottles, found herself sound and well, now does her own housework and is as well as she ever was.—Free trial bottles of this Great Discovery at Dr. E. W. Pugh's Drug Store, large bottles 50 cts. and \$1.

JEFFERSON DAVIS.

It is said that the small and imperfectly prepared books purporting to give a history of Jefferson Davis are having a good sale. This shows the interest taken in the subject all over the South, and will prepare the way for an immense circulation for the "Memorial Volume of Jefferson Davis," now being prepared by Rev. J. Wm. Jones (the fighting chaplain). Dr. Jones was for years the secretary of the Southern Historical Society, and is not only a scholar and popular preacher but a trained writer and master of a very pleasing style. When to these qualifications are added his long and intimate personal acquaintance with President Davis and his family, and his own active personal participation in the stirring scenes of the most important period of the life of the President of the Confederacy, it will be seen at once that he is eminently fitted to prepare such a volume as this. He is busily engaged in the work now, and has the cordial co-operation and assistance of Mrs. Davis, who places much material at his disposal. It is understood that by an arrangement with the publishers Mrs. Davis will share in the profits of the publication, and when we add that the book is to be brought out by the well known Southern house of B. F. Johnson & Co., Richmond, Va., it goes without saying that the book will be in all respects first class, and in every way worthy of the illustrious subject. It is destined to have a large circulation and will be worthy of it.

HAPPY HOOSIERS.

Wm. Timmons, Postmaster of Idesville, Ind., writes: "Electric Bitters has done more for me than all other medicines combined for that bad feeling arising from Kidney and Liver trouble." John Leslie, farmer and stockman of same place, says: "Found Electric Bitters to be the best Kidney and Liver medicine made me feel like a new man." J. W. Gardner, hardware merchant, same town, says: "Electric Bitters is just the thing for a man who is all run down, and don't care whether he lives or dies; he found new strength, good appetite and felt just like he had a new lease on life. Only 50c a bottle at Dr. E. W. Pugh's Drug Store."

IF YOUR BACK ACHES Or you are all worn out, really need for nothing it is general debility, try BROWN'S IRON BITTERS. It will cure you, and give a good appetite. Sold by all dealers in medicine.

ROXBEL CHIPS.

The Farmers' Alliance met in their new hall on last Saturday for the first time.

The masonry for the bridge across the Roanoke is about finished, and work on the bridge will begin next week.

Send 50c and subscribe to the West Chowan for one year. It is a religious paper published by Rev. W. B. Wingate, of this place. Parker & Hedspeth have dissolved copartnership and little Hedspeth is still carrying on business. Stick to it if you get broke.

Dr. J. M. Roby, formerly of this place, but now of Purvis, Va., was down on a visit to see his parents and friends a few days ago.

Jim, one of our boys, who left to take charge of a telegraph office on the A. & D. road at Holland, Va., has paid us several visits since.

When one comes another goes. George has left us to contend with the Roanoke clouds and will attend to business for Mr. Tom Farmer, of Scotland Neck.

It is every now and then you hear of the merchants in the adjoining towns failing, but none of ours have failed, or at least the news hasn't got out yet.

Some of our good old brother farmers are going to try trucking again this year. All I can hope them is that they may make good crops and get good prices. Shih has moved to town where

he will attend to business for Dr. P. C. Jenkins. It is to be hoped he will have better luck now than when he lived in the country. The La Grippe is raging in this section of the county. Several of our towns people are suffering very much with it. We hope it will be nothing very serious.

Miss Sallie Harrell, near this place, began public school a few weeks ago, and all are very much pleased with her so far. She makes the little chaps study and only whips seven or eight daily.

Miss Maggie Johnson, near this place, was married to Mr. Emmet Jones, of Franklin, on Wednesday the 15th, at the house of Mr. K. R. Lassiter. We wish them peace and prosperity wherever they may go. January 18. A. H. C.

Pimples, blotches, scaly skin, ugly spots, sores and ulcers, abscesses and tumors, unhealthy discharges, such as catarrh, eczema, ringworm, and other forms of skin disease, are symptoms of blood impurity. Take Dr. J. H. McLean's Sarsaparilla.

The most delicate constitution can safely use Dr. J. H. McLean's Tar Wine Lung Balm. It is a sure remedy for coughs, loss of voice, and all throat troubles.

Faults of digestion cause disorders of the liver, and the whole system becomes deranged. Dr. J. H. McLean's Sarsaparilla perfects the process of digestion and assimilation, and thus makes pure blood.

Even the most vigorous and hearty people have at times a feeling of weariness and lassitude. To dispel this feeling take Dr. J. H. McLean's Sarsaparilla; it will impart vigor and vitality.

There are times when a feeling of lassitude will overcome the most robust, when the system craves for pure blood, to furnish the elements of health and strength. The best remedy for purifying the blood is Dr. J. H. McLean's Sarsaparilla.
