Cash Paid For Old Gold and Silver

Practices in all Courts.

To Committeemen, Teachers and Other School Officers of Bertie County:

GREETING:

As committeemen the second year of your term of office is now open; with its varied duties and obligations upon you. One year ago you to the solemn oath to do your whole duty. You organized, and in many s sects, have done well. To those who have taken most interest in the work, we find the best results upon their children, and hereby take pleasu in expressing our thanks for their faithfulness to duty. This is our annual salutation of good will and a friendly

duty. We will try to be brief in what we say and would ask you not this down until you have gone to the end. It is the earnest desire of to know, if possible, our full duty, in order that we may the better perform the same. The School Law is our chief guide, and as a matter of tion will give a resume of the same by sections.

STATE SUPERINTENDENT

If, at any time, you should have doubt as to the full meaning of any section of School Law, write to the State Superintendent. His construction of the same to you is final.-Section 14.

COUNTY BOARD OF DIRECTORS

The County Board of Directors, one year ago, appointed Townsh Boards of Trustees, and they, in turn, appointed District Committees, all for a term of two years. They also fixed the maximum price for teachers at not prevent the Committee from making it less to either, if to extend their Teachers are required to give ap

Board of Committeemen, define distinctly all district lines, abolish or create school districts as circumstances may demand, make proper apportionment of all funds to their various districts; see that Committees have proper regard to price of reachers as set by County Board of Directors; and otherwise supervise the work in their respective townships to the very best educational interest of all the children. Sec. 23-24 25. An active, efficient board of trustees, will infuse life and activity throughtout the entire work under its

COMMITTEEMEN.

Committees are bodies corporate, to make purchase or sale of school prop erty, build, repair and furnish school houses, protect the same and see that

Com to procure census biks 1st Mon in Aug each year, which they shall fur-County Supt. on or before first October, the same, under oath with a perfect and carefully made list of all children in their respective districts, by name, age and sex, together with name of parent or guardian. Also pleasure at any time; to aid you in your work in every possible way.

Thus, by a proper and well directed effort on the part of each one who has the teacher of their school when commencing his or her work. Also shall sworn to do his duty, we shall expect results that will bless "Old Bertie" the teacher of their school when commencing his or her work. Also shall furnish on back of census report the name &c of any deaf, dumb or children in the district, also the value of school property. - Sec. 28.

In taking census report confine to district lines and not township lines.

Committees should keep well in tact their organization, do all their work together and in a business like way. Sec. 29.

Look well to the condition and comfort of your school house. See that comfortable desks or benches are provided at once, if not already or hand. Train No. 2 makes direct connection with the Norfolk & Carolina train No. 102 at Ahoske for Norfolk. Train No. 1 makes direct connection with Norfolk & Carolina No. 103 from Norfolk. I.W.BRANNING, C.E. BRANNING Have house ceiled side and roof, the well kept in good order, wood in sufficient quantity on hand U & C.

> Committees most important duty is the employment of teachers and dis missal of same for inefficiency or lack of lawful attendence of children and fix their salary in accordance with rate set by Co, Bd Directors. This part of their duty is often too much overlooked. Have the session as far as possible in one term Sec. 30.

> Committees should close their schools whenever the monthly average of attendance is less than one fifth of the children of the district. The teacher is required to furnish this information Sec. 31.

> Committees can contract with private schools to do public school work.

Committees shall not give an order on the Treasury for money, unless the same is actually to the credit of the district Sec. 36. Committees shall keep a book in which an account of all money received and paid out shall be kept Sec. 37.

Length of term, and not salary to teacher should be the Committees watch

Always get the best teacher you can and while in your employ watch his or her work as to its efficiency. Never be a stranger to your school, visit it often, stand to the back of your teacher, be a friend to the children

The employment as teachers of near relatives of Committeemen should be discouraged unless a unanimous demand for some is made by the community as it often creates a division of the committee and thereby prevents The vote for the Constitutional Athat unity which should exist upon all occasious. Neither should committee mendment will run several thousand pander to the favoritism of any teacher. Always receive the application of behind the ticket. teachers without any promise, until your board can meet, then be unanimous The Legislature is overwhelmingly Chatham. in your decision if possible, as a division always hurts the cause. catalogue address for I. The County Sup't shall hold public examinations on second Thursday in fusionists and two senatorial districts Columb April July and October of each year, at which times no charge shall be made of applicants. For examinations on other days, there shall be a fee of \$1.00.-Sec. 39.

Co. Sup't to advise with teachers as to the best methods of instructions doubtful are as follows: Ashe, Brunsand school government. Shall visit schools, correct abuses, suspend teach wick, Chatham, Clay, Dare, Graham, s, for inefficiency or other cause, keep in close touch with committees and eir duties, and otherwise exercise a general supervision over the entire chool work of his county, Sec, 40,

Co. Sup't shall furnish all blanks for census taking, teachers reports and vouchers for their money, school registers, school laws, deeds, accounts blanks etc., Sec. 41

.Cc. Sup't with the aid of trustees, to remove incapable or otherwise inefficient committeemen, when the interest of their school demands it. Sec. 43-Co Sup't with assistance of Co. board of Directors to remove township

THACHERS IN THE STANDARD STAND

WINDSOR, N. C., THURSDAY, AUGUST 9 1900

Teachers of public schools are required to keep good order and discipline their respective schools, to encourage morality, industry and neatures, in their pupils; and teach thoroughly all branches which they are required teach. If any pupil shall wilfully and persistantly violate the rules of the Hertford hool and will not be controlled by the teacher. Such pupil may be disgissed by the teacher for the current term Sec. 67.

ork" than any Printing House in North Carolina. Then why not keep your

cy or wilful neglect of duty. Sec. 44.

THE BRANCHES TO BE TAUGHT

As above indicated are, spelling, defining, reading, writing, Arithmetic, and Grammar, and Composition, Geography, nature and effect of Alexade drinks and narcotics elementary physiology and hygiene, Civil government ent, History of North Carolina and of the United States.

It is a matter of regret that in many cases our teachers do not give their Made on to this matter as they should. May we not expect a decided and ters before your minds, dear teachers and realize the burden of duty

Every teacher of a school shall keep a daily record of the attendance of ir pupils, and at the end of their term shall make a report of the same to the Co. Sup't with length of terms taught, race of which taught, no. Sex and average daily attendance of pupils with no, and township of school Sec. 68. aw requires that the nature and effects of Alcoholic drinks and nar cotics shall be strongly taught and emphasized by all our teachers.

some other employment, as in this, they have missed their calling

Friday the 21st day of December next is hereby appointed "Arbor Day" throughout the county, at which time, the teachers, assisted by students com mittee and friends, should have their respective school house ground next cleaned up. Old trees trimmed and needed ones set out. For the latter w

term of school the legal time (four months).

Any person who shall willfully interrupt or disturb any public or private school, or injure any school building or property of the same, shall be guilty of a misdemeaner and punished by fine or punishment.—Section 21.

TRUSTEES

Teachers are required to give special attention to instruction in Civil continuent impressing clearly the prominent features and make up of the same. The principles of patriotism or love of one's country should be strongly in fused in every boy and girl's mind. To this end we would be pleased to our Nation's flag floating from the top of each school floats in the county furnished by the children. A broad sense of patriotism and christian principles, must be inculgated upon every mind. Provided that partians politics and partisan religion shall be strictly kept out of our schools.

Township Trustees will bear in mind their obligations to keep a full propose to pay 1-4 to any district that will furnish 3-4 thereby extending the red of Committeemen, define distinctly all district lines, abolish or create take the advantage of the offer? Let us have prompt responses.

that the hour is upon us when new life must be infused in every school have been fully twelve per cent more this past year than the year before with both white and colored schools. May we not trust and expect the same or a much larger percentage will be shown the incoming year. Let us all bestire ourselves to this end. The grandest impatus in our life should be to give every boy and girl a purpose and a change to make a man or wom an of him or herself, that they might reflect honor and credit upon every washing walk or position in life along which they may be called to pass.

fullest sympathy and co-operations in every effort to uplif and advance the cause of a common education among all our children

Make known to me your every need or difficulty in the prosecution of your work, and especially of the progress you are making. If necessary to visit your community at any time the better to instruct or aid you then et me know at once. As co-workers it will be your duty to seek any advice or information desired with the assurance that it will be both, my duty and

With best wishes for your success and prosperity.
