This picture is the trade mark of SCOTT'S EMULSION, and is on every bottle of SCOTT'S EMULSION in the World. It now amounts to many millions yearly. This great business has grown to such vast proportions,

First—Because the proprietors have always been most careful in selecting the various ingredients used in its composition, namely; the finest Cod Liver Oil, and the purest Hypophosphites.

Second—Because they have so skillfully combined the various ingredients that the best possible results are obtained by its use.

Third—Because it has made so many sickly, delicate children strong and healthy, given health and rosy cheeks to so many pale, anemic girls, and healed the lungs and restored to full health, so many thousands in the first stages of Consumption.

If you have not tried it, send for free sample. Its agreeable taste will surprise you. SCOTT & BOWNE, Chemists, 49-51 West Street, New York.

COLORED SECRET POLITICAL ORGANIZATIONS

We have heard several times of late that the negro leaders in the Indian Woods had them a secret political society. They have been indulging in much violent talk. We are told that they are especially severe in denouncing Rev. Eli Jones colored who was a Republican poll holder in the August election. They charge that he was in the employment of the white people and that he was bribed. So violent have they become they have revoked his license. If they have not turned them out of the church, and all of this even without a trial or notice. The charge against him is false in every particular. And we are authorized to say that such persecution must end. The man who threatens Eli Jones, or harness him, or his property will be very severely dealt with by the white people of the county.

Cl. M. Steel Or Death

"There is but one small chance to save your life, and that is through an operation," was the awful prospect set before Mrs. I. B. Hunt, of Lime Ridge, Wis., by her doctor after vainly trying to cure her of a frightful case of stomach trouble and yellow jaundice. He didn't count on the marvelous power of Electric Bitters to cure stomach and Liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. It's positively guaranteed to cure Stomach, Liver and Kidney troubles and never disappoints. Price 50c at R. C. Bazemore's store.

KEPT ON KISSING.

It was in Edinburgh, and she was pretty and sweet and poetic, and he was young and mischievous. They were sitting out on the veranda in the moon-light, and she grew ethereal. "Oh, how I love to sit out here in the moon-light," she cooed; "to be fanned by the languorous perfumes of the roses and to be kissed by the soft girls from the South!" Then he kissed her and she grew indignant. "How dare you!" she almost sobbed. "Why, I'm a soft heir from the South," he replied, coitly. She didn't say anything when he kissed her again.—Tit-Bits.
