

AGED PEOPLE

cannot properly masticate solid foods and digestion is often upset—they do not receive the needed nourishment to make strength and preserve health, but if aged people everywhere could only realize the **strength-sustaining nourishment in Scott's Emulsion** they would take it after every meal.

It possesses the nourishing elements of cod liver oil, the vital powers of the hypophosphites of lime and soda and the curative qualities of glycerine, all so perfectly combined that nature immediately appropriates them to **create strength—nourish the organs and build the body.** It relieves rheumatism and ailments due to declining years. It adds to the span of life.

Refuse substitutes for **SCOTT'S**.

Bad Spells

"I suffered, during girlhood, from womanly weakness," writes Mrs. Mollie Navy, of Walnut, N. C. "At last, I was almost bed-ridden, and had to give up. We had three doctors. All the time, I was getting worse. I had bad spells, that lasted from 7 to 28 days. In one week, after I gave Cardui a trial, I could eat, sleep, and joke, as well as anybody. In 8 weeks, I was well. I had been an invalid for 5 weary years! Cardui relieved me, when everything else failed."
