SCOUTS PLAY TWO GAMES

The Boy Scouts Play Two Games. Have a Royal Good Time. Given Party at Night by Mr. Noe.

Windsor Wins Both Games

The Boy Scouts from Winton had a royal good time in Windsor--even if they did lose both games. They came Thursday night and each Winton Scout went home with a Windsor Scout who entertained him during his stay. And Thursday morning, bright and early, dressed in their Scout uniforms, they could be seen taking in the sights, patronizing the soda fountains, talking to the girls and having a good time generally. At night their pleasures were added to by a party given by Rev. Mr. Noe at his home on Castle Heights.

The first game was called at 2:30 and resulted in the score of 4 to 11 in favor of Windsor. We give below the line-up. Mr. G. T. Davis umpired, and the game throughout was conspicuous for the total absence of all kicking. Not a dissenting voice was heard on the field. The game was played in true Scout style--manly, gentlemanly and clean. Both teams played well, and their general demeanor, in the game and out, was that which goes to make a true Scout--a high sense of honor and truth, manliness. For Windsor William Gurley was the Matthewson in the box, and Percy Davis the invincible backstop; and Charlie Hale, as Boston's "Smooky Joe", twirled the horse-hide for Winton, and Charlie Lee stopped its momentum behind the stick.

W. M. Nicholls vs A. C. L. Railroad, judgment for \$12.50 for plaintiff.

The main excitement of this session of court was the trial of those charged with unlawful sale of liquor. John Bazemore sentenced to two years; Gordan Mountain to one year; and Otis Veale to five months; George James was fined and placed under an appearance bond. This completed the cases.

During the investigation, after the conviction, it came out that Filmore Ward had said that Bazemore and Mountain had tried to hire him to kill George Sanford, the main state's witness. Filmore had been sent to the County Farm for embezzling some money entrusted to him by another negro. He was brought into court and told that in conversation with Mountain and Bazemore he was offered fifty dollars to kill Sanford. Mountain admitted it and in all respects corroborated Ward, but he said he and Bazemore were in jest--funning. This is the most serious situation that has developed in Windsor in many a day, when one who insists in the suppression of lawlessness is threatened with death. The community owes protection to its officers and witnesses. Threatening the lives of people even in fun ought not to be tolerated. The sale of liquor is prohibited by law. No matter what one may think of the law it is still the law. Bazemore is indicted for perjury, and those who gave similar testimony in the case as to his absence from town, it appears that they might be similarly liable. Judge Lane has done the county a great service and we hope this will be sufficient warning and the end of such violations of the law.

The memorial ceremonies of the Daughters of the Confederacy will be held Monday afternoon of next week. All Confederate Soldiers who can attend are cordially invited to be present. Governor Winston has been invited to address the audience and will do so. We hope the attendance will be large.

THE NEWS FROM AULANDER

Entertainment by Miss Lorlie Jenkins. Meeting of Stockholders of Oil Mill. Much Building to be Done Soon

The "Aulander Day" Certain

Mrs. T. C. Williford and Miss Clarice Williford attended the commencement exercises at Lewiston last Thursday and Friday.

Miss Lorlie Jenkins entertained last Tuesday evening, the occasion being her nineteenth birthday. Many contests were engaged in during the evening, the flower contest being the feature in which Miss Claudine Joyner won the prize. Many handsome and useful presents were received by the hostess, who was assisted in receiving by Mrs. A. J. Dunning, Jr. Dainty refreshments were served. Those present as guests were Misses Claudine Joyner, Clarice Williford, Lillian Dunning, Mary Harrell, Gladys Early, Lillian Chamblay, Bessie Britton, Evelyn Dunning, Freddie Burden, Helen Harrell, Mabel and Eva Burden, and Gertie Williford. Mr. and Mrs. A. J. Dunning, Miss Addie Williford, Messrs. Teele Harrell, J. L. Powell, Hal Burden, Chester and Luther Dunning, I. T. Blanchard, A. F. Rice, Gordon Williford, W. G. Mitchell, Chris Early, Elijah Morris, Edwin Early, Jim Bob and Caroon Dunning.

The Aulander Orchestra will leave for Franklin, Va. next Thursday, where they give a play and concert on that evening. Many members of the orchestra are not strangers in Franklin and a very enjoyable trip is anticipated. It is also probable that the base ball team will play in Franklin on Thursday afternoon if arrangements can be made.

A depth of over two hundred feet has been gained and Aulander is hoping for a good flow from the artesian well. It is likely that this week's work will decide the question for us.

Mr. E. C. Smith, contractor from Franklin, Va. was here last week in the interest of the new buildings which are said to be shortly erected. The Oil Mill will be rebuilt, the Woodmen will erect a new building, and Mr. J. L. Harrington is planning one.

"Aulander Day" on July 4th seems to be a settled program now and arrangements are being made to secure speakers for the occasion. Two games of baseball will be played and the Aulander Orchestra will furnish music. If it is proposed that all who come bring a basket and make it a big picnic day, while of course the home folks will take dinner out to the grounds and otherwise entertain visitors. A large crowd is expected to be here on that day, and Aulander will see that they are highly entertaining while here.

Miss Lillian Dunning gave a birthday party last Wednesday evening and a large crowd of young people were present. Many games were played and refreshments served. Miss Dunning received many handsome presents on this, her fourteenth anniversary.

Mrs. D. E. Henderson has returned to her home in New Bern after spending some time with her parents, Mr. and Mrs. J. H. Jenkins.

Mr. and Mrs. R. J. Dunning were in Norfolk, shopping last week. The stockholders of the Bertie Cotton Oil Company met last Saturday, and made arrangements for rebuilding the burned plant immediately. Many improvements will be made this time and the plant will be larger. It is probable that power will be furnished for an electric light plant for the entire town.

The entire output of the brick of Carolina Building & Hardware Co. has been engaged in advance, and this season promises to be excellent in the building line. Much will be done this year in improving the town, several buildings be contemplated, an electric light plant added and the artesian well completed. Notwithstanding the cotton mill loss, it is predicted that Aulander will have one of the best and most progressive years of her existence and our people are working toward that end.

Mr. J. A. Wendell of Tarboro was here last week in connection with the adjustment of the loss of the Bertie Cotton Oil mill.

Ode of the Fly

Most injurious typhoid fly,
Drink no more with you will I.
When you settle on my cup,
I perchance bacteria sup;
After what I've seen today,
I would have you chased away.
I dislike those feet of thine,
What they've touched I shall decline,
Carrier of germ and spore,
Get thee hence! Return no more!
Spreader of disease, begone!
Kindly leave my food alone.
