## Hayman-Weidenhouse

The home wedding of Rev. L. D. Hayman and Miss Bess Weidenhouse was celebrated at 9:30 o'clock Wednesday morning, August 19, at the residence of the brides' mother Mrs. Lavenia M. Weidenhouse in Concord, N. C. The Concord and Charlotte papers carry full accounts of this social event which is of unusual interest to Ledger readers and others in Bertie county.

The Rev. W. T. Albright, pastor on Concord Circuit and brother-in-law of the bride, performed the ceremony using the full service of the Methodist church. The bride, in handsome going away gown was attended by Miss Marie Hoover, as maid of honor, of Lenoir, N. C., while the brides' sister, Mrs. W. T. Albright, was the gracious Dame of Honor. Mr. M. R. Pleasants of Cary, N. C., was the groom's best man. The ceremony was made doubly attractive by the skillful rendering of wedding airs and Mendelsohns grand wedding march by Miss Jillette of Capeville, Va. The bride approached the beautifully improvised altar on the arm of her brother, Mr. William Weidenhouse, who presented her to the groom. Their marriage vows were solemnized by the giving of the wedding ring.

The ceremony was witnessed by relatives and intimate friends.

The groom, Rev. L. D. Hayman, is pastor in charge of Bertie Circuit. He is a graduate of Trinity College in the class of 1913. For a year he has had the work of the Methodist churches in this Circuit under his charge. By his tact, friendship and devotion to his work he has greatly endeared himself to our people with whom he is very highly esteemed. He was born in Dare county, the son of Mr. D. W. Hayman and his wife Mrs. Mary Elizabeth Hayman. He is one of the strongest preachers of the young men in the North Carolina Conference, taking high stand among his clerical brethren. A most successful District Conference was recently held in his Windsor church. His power of organization was apparent in the completeness of his direction of the forces of that body.

The bride is the daughter of Mr. W. M. Weidenhouse and his wife Mrs. Lavinia M. Weidenhouse.

She is a graduate of Davenport Female College Lenoir, N. C., and also of Trinity College, Durham, N. C., where she received her A. B. degree in 1913. Her charming manners and graces of mind and heart have made her many friends. She has every qualification of head and heart to make her the ideal wife of a useful and consecrated husband. It is of interest to note that Mr. and Mrs. Hayman were students and classmates at Trinity College and received their diplomas the same day. How much that association contributed to the interesting event of Wednesday will not be hard to imagine.

Mr. and Mrs. Hayman left Concord immediately after their marriage and took a wedding trip that included Washington City and a number of the north-

## PELLEGRA INCREASING

Public Health Service Announces Cause and Suggests a Remedy—Fake Cures

Pellegra seems to be on the increase. This is true not so much of North Carolina, perhaps, as elsewhere. A very probable answer to the why and wherefore of the situation is offered by Joseph Goldberger, surgeon in charge of pellegra investigation for the United States Public Health Service.

Dr. Goldberger claims that pellegra is not contagious, infectious or even communicable, but is due to a faulty diet. The trouble with the diets of people who develop pellegra, according to Surgeon Goldberger, is that they do not eat enough lean meat, beans, peas, milk and eggs, but eat disproportionately large amounts of such things as grits, molasses, flakes, corn meal or starchy foods.

As a general rule, according to Dr. Goldberger's findings, pellegra is particularly a disease of the poor, or where it does strike an individual member of a well-to-do family it is one that for some reason has not been eating a well balanced diet. Accordingly the apparent increase in pellegra is due to a more restricted diet owing, perhaps, to the recent slightly depressed financial conditions among our people.

The daily diet recommended by Dr. Goldberger for an adult pellegrin should include a pint and a half to two pints of milk, at least four eggs and a half pound of fresh, lean meat, together with a liberal allowance of peas and beans. These articles of diet should be varied somewhat from time to time to suit the taste of the patient. Very little, if any, medicines are recommended or are found necessary. In this connection Dr. Goldberger cites some causes of more or less fraudulent so-called pellegra cures that are being heralded as sure cures for pellegra at good, stiff prices—and what's more, their patrons are getting cured. According to Dr. Goldberger, it matters little whether a person is given a solution of salt and water, sugar and water or any other cheap concoction at a dollar or two an ounce for so long as the patient follows the instructions of eating liberally of such things as meat, milk, eggs, beans and peas the chances of his getting well are very strongly in his favor and, of course, he credits the advertised pellegra remedy with the cure.

ern cities. They will be absent for quite a time, and on their return will reside in the Methodist Parsonage which has been recently repaired and put in fine order for the coming of the bride. I am sure no couple who ever commenced married life in Windsor will be received with more genuine hospitality and real friendliness than our friend Mr. Hayman and his bride. She will in a short time feel very much at home in Windsor, where our good people of every creed are swift to extend the cordial hand and speak the words of sincere and hearty greeting. F. D. W.

## Dr. Griffin at Perry's X

Dr. E. J. Griffin of Edenton will attend the County Meeting of the Farmers' Union at Perry's Cross or with Perry's Local on the first Thursday in next month—September. Dr. Griffin is one of the most prominent citizens and farmers of Chowan county and a native of Northampton. At the Suffolk convention of the peanut growers' of North Carolina and Virginia, Dr. Griffin was unanimously chosen president of the executive committee having in charge the inauguration or establishment of peanut cleaners by the members of the Farmers' Union. A charter has been secured from the State of Virginia for the company and further organization perfected. On this subject Dr. Griffin will speak to our farmers. Therefore we are asked by the president, Mr. J. Lawrence Harrington, to urge as many of the members to attend as possible.

## Co. Union First Thursday

The county meeting of the Farmers' Union of Bertie county will meet with Perry's Local on the First Thursday in September, it being the 2nd day. I urge every Local to send a full and large delegation or representation. It is very important. Matters affecting every member and his welfare will be discussed, therefore it is urgent that we have a large attendance. Aside from the question of peanut bags and such matters there are other important questions to come up before the Union and I insist upon every member, if possible attending. Remember the place—Perry's Local at Perrytown; and the time—the first Thursday in September, the 2nd day.

J. LAWRENCE HARRINGTON,  
President,  
J. M. PERRY, Secretary.

## Woman's Missionary Society

The Woman's Missionary Society of Cashie Baptist church desires to express its appreciation of the services rendered by the various committees at the meeting of the Woman's Missionary Union of the West Chowan Association on July the 28th with the Cashie Baptist church.

The Society also wishes to express thanks to Mr. F. D. Winston for his kindness and thoughtfulness in supplying watermelons, lemons, sugar, etc., which added much to the enjoyment of the occasion.
