Community Organizer, 1976

Lead. Inspire. Change the World. Again.

“Most of my generation felt that as younger people it was important to serve and give back to the community. So, I have been doing just that all of my life...from organizing events at my community center to serving on the board of the local Red Cross.”

We inspired before. We continue to inspire today. Join thousands like me who are still asking what they can do for their country and community. Discover which opportunity is right for you.
