Because you deserve exceptional health care

Right here, close to you

Being a true system of care means more than simply providing health care services. It means bringing better health and wellness directly to you, close to home. At Vidant Bertie Hospital, we're delivering primary care as well as access to specialists in gynecology, cardiology, pain management, wound care, gastroenterology, endocrinology, ENT and general surgery. Because our goal isn't just to treat disease, but to prevent it in the first place. And that improves the lives of everyone in eastern North Carolina starting with you.
