Not quite as optimistic...

I'm old and in my lifetime of supporting the Tar Heels, there have only been a handful of football seasons that began with what I believed to be a realistic chance for them to do something special.

Last season ended with a New Year's six bowl game and, if you buy into the hype surrounding this year's squad, then you believe they are destined to repeat the feat. While I am hoping for the best, I am emotionally preparing for the worst.

Yes, Sam Howell is a Heisman candidate and pre-season All-American, but what happens if he gets hurt? There is very little college football experience behind him on the depth chart.

This is especially scary with the starting center being out week

WINDSOR - Bethel Assembly Christian Academy, hosted Suffolk Christian Academy (Suffolk, Va.) for a conference

soccer match, played this past Friday.

Bethel Senior Joey Patterson and Sophomore Noah Knowles had several attempts at the goal, but near misses and the tenacious

Suffolk defensive haunted them.

Suffolk scored five goals in the first half and four goals in the second half, topping Bethel by a score of 9-0.
