Baptist Church Notes

By REV. EUGENE R. ELLER

The Sunday school of the Baptist church will meet at 9:45 next Sunday morning. All members are urged to come and bring a new member. Sunday will be Orphan Home Day in the Sunday School. Let us all be mindful of these children as we make our offering. The morning worship service will be at 11. The pastor's subject for the morning will be, "What We Believe About the Bible." The pastor will begin a series of about ten sermons on "The Doctrines of Our Faith." The morning worship hour will close with the observance of the Lord's Supper. All the members of this church and Baptists with their membership elsewhere are invited to be with us in the communion service.

The B. Y. P. U. will meet at 6:45 and the evening worship service will be at 7:45 which will be a baptismal service. All those who were unable to come to be baptised last Sunday night are urged to make a special effort to be present.

Let us all be working and praying for the revival which is in progress at the Methodist church.

COWETA BAPTIST SUNDAY SCHOOL

BY DOVIE GLADWELL

The Coweta Baptist Sunday school has kept up its average attendance through the winter months. We are hoping for an increase, as spring is opening up.

The Sunday school members are not only holding the attendance but are taking a great part of their time reading God's word, 1,254 chapters having been read during the last quarter.

Number of members on roll Sunday was 100.

Mr. J. H. Shook, superintendent of the Sunday school, is having a great success as leader of the young people.

The B. Y. P. U. is growing rapidly. Mr. William Carpenter, president, is doing a great part in God's work, trying to enthuse the young people to use their spare time as workers of God.

McCORMICK - DEERING

Peg-Tooth Harrows

THIS is a good time to inspect your peg-tooth harrows to find out whether all the sections are in good shape. Each section should be solid and rigid—every tooth should be secure.

If your harrows aren't in A-1 condition, come in and let us show you the complete line of McCormick-Deering Peg-Tooth Harrows. We have a good stock of them in the style you like best. There's no danger of a McCormick-Deering twisting out of shape. These harrows are well-braced and solidly built for good, clean work.
