We were delighted to have the Rev. H. C. Freeman preach for us last Sunday night. Both the man and message made a good impression. Mr. Freeman is pastor of a large group of Methodist churches in Macon county, and while he lives in Franklin he is so busy with his vast field that we in town see very little of him.

Mr. and Mrs. L. O. Bailey and son, Wade, motored to Asheville on Thursday of last week for shopping. Mr. Charles Brooks, of Asheville, was a business visitor here the latter part of last week.

POISON in Your bowels! Poisons absorbed into the system from souring waste in the bowels, cause that dull, headachy, sluggish, bilious condition; coat the tongue; foul the breath; sap energy, strength and nerve-force. A little of Dr. Caldwell's Syrup Pepsin will clear up trouble like that, gently, harmlessly, in a hurry. The difference it will make in your feelings overnight will prove its merit to you. Dr. Caldwell studied constipation for over forty-seven years. This long experience enabled him to make his prescription just what men, women, old people and children need to make their bowels help themselves. Its natural, mild, thorough action and its pleasant taste commend it to everyone. That's why "Dr. Caldwell's Syrup Pepsin" is so popular.

CHILDREN CRY FOR IT— CHILDREN hate to take medicine as a rule, but every child loves the taste of Castoria. And this pure vegetable preparation is just as good as it tastes; just as bland and just as harmless as the recipe reads. When coated tongue or bad breath tell of constipation, invoke its gentle aid to cleanse and regulate a child's bowels. In colds or children's diseases you should use it to keep the system from clogging. Castoria is sold in every drug store the genuine always bears Chas. H. Fletcher's signature.

Rabun Gap-Nacoochee School Annoucement Of the Boarding Department Effective June 1, 1932 FALL TERM OPENS FOURTH MONDAY IN AUGUST, 1932 SPRING TERM OPENS FIRST MONDAY IN JANUARY, 1933 I. PURPOSE This is a special type of school for boys and girls of the mountain region who need a place where they can pay part of their expenses with their work and obtain the kind of education and training that will best fit them for the lives they are to live. II. REQUIREMENTS FOR ADMISSION Candidates for admission must be apt to learn, willing to work, sound of health, not under 15 years of age, and must have completed the 7th grade of a grammar school. After June 1, 1932, no boarding student will be admitted without paying an entrance fee of \$10 and an incidental fee of \$5, half at the opening of each term, before being enrolled. III. PLAN OF OPERATION All students devote four days of each week to books and two days to work during the scholastic session of nine months. The plan requires a large corps of teachers. Individual attention is given each student in a three-part system of book-learning, industrial training, and development of personality and Christian character. This three-fold education is brought within the reach of boys and girls of limited means and earnest purpose who, in addition to the entrance fee of \$10 and the incidental fee of \$5, can meet their share of the cost with money and work on one of the following plans: 1. By paying \$100 in money, half on the first day of each term, without any work in the summer. 2. By paying \$75 in money, half on the first day of each term, with three weeks of work in the summer to be valued at \$25. 3. By paying \$50 in money, half on the first day of each term, with six weeks of work in the summer to be valued at \$50. 4. By paying \$25 in money, half on the first day of each term, with nine weeks of work in the summer to be valued at \$75. 5. By paying \$15 in money for entrance and incidental fees, and with twelve weeks of work in the summer valued at \$100. Only a limited number of students will be admitted under plan Number 5. All payments of work required in vacation must be made before the opening of the term for which the student enters. The School has to raise \$200 per year from outside sources for each boarding student. Admission is accordingly limited to the number of students that can be accommodated. Applications are now being received and placed on file. The list of students accepted will be closed on the first day of August. For the form of application and other information, write or apply in person to A. J. Ritchie, J. K. Coit, Associate Superintendents, Rabun Gap, Georgia
