Who's Your Bootlegger?

Printing bootleggers—people who spend most of their time "looking for a sucker"—folks who know comparatively nothing about the art of printing—haven't a darn dime invested who "commission" you to your destruction if you only listen to their chatter. College-bred or corn-fed you will admit that this commission must be added to the selling price or deducted from the quality of what you get—and the money leaves town forever!

3 RULES big help to BOWELS

What a joy to have the bowels move like clockwork, every day! It's easy, if you mind these simple rules of a famous old doctor:

1. Drink a big tumblerful of water before breakfast, and several times a day.
2. Get plenty of exercise without unduly fatiguing yourself.
3. Try for a bowel movement at exactly the same hour every day.

Everyone's bowels need help at times, but the best thing to use is Dr. Caldwell's Syrup Pepsin. You'll get a good cleaning-out, and it won't leave your insides weak and watery. This family doctor's prescription is just fresh laxative herbs, pure pepsin, and other helpful ingredients that couldn't hurt a child. But how it wakes up those lazy bowels! How good you feel with a clean system!

of Mr. and Mrs. Sam L. Franks of Franklin. She is a graduate of the Franklin high school, and was a student in Western Carolina Teachers College last year. She also attended Salem College, at Winston-Salem, for a year.

Mr. Henry is also a graduate of the Franklin high school. He is now connected with the Joines Motor company at Brevard, where they expect to make their home.

A. at Rabun Gap-Nacoochee school, Rabun Gap, Ga., on Wednesday morning, August twenty-fourth, 1932, at eleven o'clock.

Mrs. Izzy Bashinski, president. Mrs. Ed A. Caldwell, chairman Francis S. Bartow Memorial.

Immediately following the unveiling ceremonies a picnic dinner will be served and in the afternoon a tour of the Rabun Gap-Nacoochee school plant and farm will follow.

Quite an honor was conferred upon the Macon county chapter in that they are to officially represent the state of North Carolina at the unveiling.

The general public is invited and many Franklin people are expected to attend, in addition to the local chapter.

The writer had the privilege of seeing and hearing the presentation of "Heaven Bound" at Lake Junaluska last Saturday evening. It was given by a group of Negroes, members of the A. M. E. church, Atlanta, Ga., and under the auspices of the Junaluska association. The pageant gives a faithful portrayal of the religious ideas and emotions of the Negro people, ideas and emotions associated with primitive peoples in their religious experience. The cast faithfully spell out the soul of their race, and they portray qualities of character, and with manifest ability, of which they have reason to be proud. The Negroes are gifted singers. Music is as natural to them as the songs of the winds among the trees. Out of this race will come some day a great artist. Already, in such artists as Roland Hayes, their gifts and ability are being recognized. The Junaluska association performed a fine piece of service for this section in bringing this production here. It was not only entertaining, but gave opportunity for the Colored people to present their religious experiences, and gave to the white people a better understanding of them. Both could go away with new appreciations and kinder feelings, which will help to better relationships between them.

SARGON TRIUMPHANT, ALL ELSE HAD FAILED

Gains 7 Pounds, New Strength and Says He Has Taken a New Lease on Life.

Don't let bad health get the best of you—Face each day with new energy and the fighting vigor to "carry on" with the aid of Sargon. Read what A. H. Costin, Route 4, Asheville, N. C., well known furniture man, says about this modern compound:

"I was unable to eat a square meal without suffering tortures with indigestion. My stomach was in terrible condition. I was losing weight steadily and got so weak I could hardly keep going. I had terrible pains like neuritis in my neck, arms, back and knees. I had X-rays made and tried all kinds of medicines and treatments but nothing seemed to reach my troubles.

"It's just wonderful how Sargon took hold of my troubles—I've taken five bottles and just seem to have a new lease on life. My appetite is fine, every sign of indigestion and stomach trouble has disappeared and I haven't a pain in my body. I've gained seven pounds and am just filled with new life and energy.

"Sargon Soft Mass Pills ended a bad case of constipation for me; they regulated my liver without nauseating or upsetting me in the least. I feel just fine."

In all cases where constipation exists, Sargon Soft Mass Pills are a necessary part of the Sargon treat-

ment. They should be taken daily in connection with Sargon until regularity of bowel movement is established. Then and then only should they be discontinued. Sargon Soft Mass Pills do not set the any other pills or laxative you have ever taken. Their action is directed to increase the production of bile by the liver. When this has been accomplished, the bile causes natural and thorough bowel movement.

Dr. Roberts Rouses Public to Realize Sargon's Importance in Fighting Indigestion, Acidity, Lost Vitality

"Calomel has no effect upon the liver," declares Dr. C. J. Roberts, M.D., of Philadelphia, who was expressly retained to examine the Sargon formula and report his findings about this new medicine which has already become the largest tonic of its kind in the world.

"The bile which comes from the liver is a veritable life-sustaining fluid and has many all-important functions. When the liver is active and pours two pints of bile each day into the bowels, CONSTIPATION RARELY EXISTS.

"Bile keeps us from becoming over-acid. It promotes the flow of other digestive juices without which indigestion, heartburn, biliousness, headaches, dizzy spells and nervous-

ness result. It fights against the decay of waste in the intestines—prevents the toxic gas of constipation—the greatest single ailment of the American public today.

"Not only do I find Sargon and Sargon Soft Mass Pills to contain the only recognized means of promoting the flow of liver bile, but it is rich in those elements which help to bring revitalized vigor, strength and endurance to pale, tired-out, debilitated men and women. It tones up worn-out, over-worked organs. It enriches the blood of those suffering with simple anemia. It is without doubt a splendid, deserving formula that the entire public should know about."
