Beauty and Health Depend on Minerals

Science Discovers that Health, Beauty and Life Itself Depend on Proper Mineral Balance of the Body

Beautiful Skin Sparkling Eyes Health and Beauty All Depend on Mineral Balance

Lack of Sufficient Minerals and Vitamins Destroys Health and Brings on Untold Pain and Suffering.

No man, woman or child can look their best, feel well and strong and enjoy life, as God intended, unless the Mineral content of the body is kept in proper balance. This fact has been proven conclusively.

FOODS DEVITALIZED
Modern methods of refining foods rob them of much of the Mineral content so necessary to health. Poor cooking and unbalanced diets are another source of trouble. The body is starved for the essential Minerals and Vitamins. Soon we suffer with indigestion, constipation, headaches, nervousness, pimply skin. We lose weight, feel tired and listless, fail to get enough sleep. Health deserts us and we wonder why.

NATURAL WAY TO HEALTH
After years of research, a new and remarkable formula has been perfected that supplies the body with the essential Minerals. This preparation is not a "patent" medicine but a scientific blending of Minerals and Vitamins that aids Nature in quickly balancing the mineral content of the body, clearing away intestinal poisons and building new strength and vitality.

ARE YOU REDUCING? If so, you need Minerals to keep you strong and well.

"I NO LONGER HAVE TO TAKE LAXATIVES OF ANY KIND.... SARGON SOFT MASS PILLS HAVE ENTIRELY FREED ME OF CONSTIPATION"

The commonest curse of mankind is constipation. It poisons us, breaks down youthful strength and vigor, ages us prematurely, and leaves us an easy victim of countless diseases. Millions are slaves to the laxative habit. The effect of ordinary cathartics is only temporary; they weaken bowel action and lose their effect. This more we take the more we have to take.

A New Discovery
Bile, prepared by the liver, is Nature's great weapon against constipation. It is a natural laxative, anti-septic and antiferretic. Bile is also a digestant without which sound digestion is impossible.

Until the discovery of Sargon Soft Mass Pills, we have been blasting out the intestines with cathartics and purgatives, believing that they stimulated the liver. Science now knows that colomel, salts, oils and other ordinary laxative drugs have no effect whatever on the liver.

Sargon Soft Mass Pills contain an amazing substance which highest medical authorities agree is the only effective stimulant to the bile producing activity of the liver known to Materia Medica.

Unlike ordinary cathartics, this substance does not shock or upset the system. It does its work by gently stimulating the liver to cleanse itself by increasing its production of bile—a more natural and thorough laxative than can ever be devised by man.

Sargon Soft Mass Pills are not like any laxative you have ever taken. They are so gentle and thorough in their action that there is nothing about them to remind you that you have ever taken a medicine, and most remarkable of all, their directions call for a gradual reduction of the dose until the point is reached where you no longer require a laxative of any kind.

This remarkable medicine may be obtained from
