Highlands Reports

Strange Happenings

The Holt building is a "Lot for Sale Cheap by J. Q. Pierson." The Bank has turned in to a beauty parlor. Even the Lunch Room has gone hay-wire and is selling dry-goods. Does all this mean that business in Highlands is picking up? It would seem so if we didn't know that goblins and spooks and squidicusques merely lost their sense of direction and left the business section of town in utter turmoil after their Halloween frolic. Evidently they worked quite diligently in the rain on the night of October 31, and we would have been glad to have had some of their energetic aid the next morning when it became necessary to straighten things out. Oh, well, we have a sense of humor, so what do we care?

Baptist Church Notes

BY REV. EUGENE R. ELLER

There will be regular services at the Baptist church next Sunday throughout the day. The Sunday school will meet at 9:45. All members are urged to help make the attendance one hundred per cent next Sunday. On the third Sunday the special Thanksgiving offering for the Baptist Orphan Home will be taken. Each class should make plans for this next Sunday. The morning worship will meet at 11. The junior choir will sing for us again at the morning worship service. We want at least fifty boys and girls in this choir. The young people's choir is singing for us at the prayer services and in the opening exercises of the Sunday school.

The B. Y. P. U. will meet at 6:30 and the evening worship will be at 7:45. We are grateful for the fine number of B. Y. P. U. folk who stay for the worship service—almost 100 per cent.

Let us remember the mid-week prayer service each Wednesday at 7:30. This is one of the most important services of the church—"Prayer Changes Things."

"MY LIFE WAS JUST ONE PILL AFTER ANOTHER UNTIL I STARTED TAKING SARGON SOFT MASS PILLS"

"SARGON SOFT MASS PILLS RID ME OF CONSTIPATION HERE'S ONE LAXATIVE THAT BRINGS REAL LASTING BENEFITS"

Unlike ordinary cathartics Sargon Soft Mass Pills do not shock or upset the system. They do their work by gently stimulating the liver to cleanse itself by increasing its production of bile—a more natural and thorough laxative than can ever be devised by man.

Sargon Soft Mass Pills are not like any laxative you have ever taken. They are so gentle and thorough in action that there is nothing about them to remind you that you have ever taken a medicine, and most remarkable of all, their directions call for a gradual reduction of the dose until the point is reached where you no longer require a laxative of any kind.

This remarkable medicine may be obtained from:
