SUNDAY DINNER SUGGESTIONS

BY ANN PAGE
WITH August nearly over, the harvest of fruits and vegetables is at its height. Most vegetables are both plentiful and low in price. All over the country excellent western peas are available. Peas are especially good with poultry, lamb and with fish, all of which are good choices at the present time.

The root vegetables, green and wax beans and summer squash are all abundant and low in price. Tomatoes are ripe, sweet and juicy—at their best either raw or cooked. They are delicious stuffed with a macaroni and cheese mixture.

Peaches and cantaloupe are plentiful and of excellent quality. Bartlett pears are delicious eaten out of hand or in salads. Nectarines are in market but their season is brief.

Here are menus from the Quaker Maid Kitchen:

Here's One Good Way To END AGONY OF NEURITIS
NEWARK MAN KNOWS HOW AND LOSES 10 POUNDS
"Gentlemen: I used Kruschen Salts to try and get rid of Neuritis from which I had suffered for one year in my left shoulder and arm. I took a little of the salts in the morning, sometimes in my coffee, other times in water. I would also occasionally take a dose in water at night before retiring. For 3 months I used the salts and while I lost 10 pounds in weight, the pain in my shoulder HAS ENTIRELY DISAPPEARED. During the time I was taking the salts I received no other medical treatment so I am fully convinced the Kruschen Salts did the trick." C. K. Murray, Newark, N. J.
Take one half teaspoonful of Kruschen Salts in a glass of hot water every morning—a jar lasts 4 weeks—get it at any druggist in the world—costs but a trifle. (adv.)
