A LETTER
from
Employees of Tallulah Falls Railway to All Patrons in Territory Served by the Railway
First we want to express to you our deep appreciation of the splendid support you have given the Railway during the past few months. Your cooperation, together with the reduction in expenses which our Management has been able to make, has enabled the Railway to pay cost of operation for the first five months of the present year. You have helped us to retain our jobs and be in a position to PAY OUR BILLS WITH YOU. We are grateful.
We want to warn you, however, that the battle is not yet won. If you are to continue to have the benefit of RAIL TRANSPORTATION and if we are to keep our jobs, the Railway must continue to pay expense of its operation. To do this, it must have all of the freight which moves into and out of its territory.
Your cooperation to the fullest extent is earnestly solicited. We promise you the best service possible to give.
