

CORN CANNING IS EXPLAINED

Directions Given by Miss Morrow, Demonstration Agent

In response to a number of requests, Miss Rosalee Morrow, Macon County emergency home demonstration agent, outlined this week the latest and most approved method of canning corn at home.

Directions for corn canning are contained in Bulletin No. 114 of the North Carolina extension service, but the supply of bulletins is too limited for general distribution, Miss Morrow said. She recommended the following directions:

When canning corn select that which is young and tender and can immediately.

Blanch corn on the cob for two minutes and cut from the cob with a sharp knife, cutting each grain about four times. Place the cut corn in a kettle and cover with hot water; bring to a boil and boil for ten minutes. Pack in sterilizing pint or quart jars to within one inch of the top. If there is not sufficient water with the precooked corn, add enough boiling water to cover the grains. To each pint add 1-2 level teaspoon salt and 1 teaspoon sugar, if sweet corn is used. If field corn is used, double the amount of sugar.

Place rubber on jar and screw lid on loosely. Place the jar in a hot water canner and process for one hour and 20 minutes on each of three successive days. Screw lid on tight after first processing and do not loosen on second and third days.

Any vessel with a close fitting lid may be used for a hot-water canner.

It is advisable to use a steam pressure cooker whenever possible. Process pint jars 90 minutes at 15 pounds pressure.

MACON COURT OPENS MONDAY

Judge Pless To Preside Over Two-Weeks Term

The August term of Macon county superior court is scheduled to convene Monday with Judge J. Will Pless presiding.

The first three days of the court have been set aside for trial of criminal cases. Hearing of civil actions is scheduled to begin Thursday, with a heavy calendar in prospect. The term is for two weeks.

No criminal cases of outstanding interest have been docketed, although there are a number of cases of minor importance.

Young Democrats Defer Naming New President

John W. Edwards tendered his resignation as president of the Macon County Young Democratic clubs at a meeting of the clubs in the courthouse Saturday afternoon, but election of his successor was postponed until a later meeting. Meanwhile Miss Elizabeth Slagle, vice president of the county organization, will take over the president's duties.

Mr. Edwards resigned on account of his recent election as chairman of the Young Democratic organization in the 11th congressional district.

Brysons To Hold Family Reunion

The Bryson reunion will be held at the home of Mrs. James L. Bryson at West's Mill on Sunday, August 19. All the descendants of the Bryson clan are urged to attend this reunion and bring a basket lunch.

Don't wear out delicate embroidery work in laundering. Use this method. Make a very hot, thick paste of French chalk and spread it over your embroidery. Roll up the embroidery and paste carefully, and leave it in a dark place for a week. When you take it out it will be quite fresh and clean. If you haven't the patience to leave it for a whole week, at least leave it over night.

Famished Cattle Find Water and Grass

Western cattle branded with the letters of the Emergency Relief administration, after they had been bought by the government from farmers whose farms are now almost waterless, are driven to an island in the middle of the Savannah river, near Augusta, Ga., where there are 300 acres of pasture land. It must feel great to them to get back to water and real green grass again.

Expect Record Enrollment At Cullowhee This Autumn

CULLOWHEE, AUG. 14.—Judging from advance room reservations and inquiries for catalogs and information, prospects are bright for a record enrollment when Western Carolina Teachers College opens its doors for the Fall Quarter September 19. Reservations and inquiries are coming in from all parts of North Carolina and other states.

The addition of a commerce department to the college curriculum is receiving a favorable response and should tend to swell the enrollment. Details have not been announced, but the plan calls for a regular commercial department with all the trimmings. C. W. Humphrey, commercial teacher in the senior high school at Lexington, will head the new department. He has had a wide experience and comes to Cullowhee highly recommended. Business english, bookkeeping, typing and shorthand are among the subjects planned.

G. F. Dodson, of Columbus, Miss., for four years head of the biology department at Campbell college, will replace Miss Thelma Newell in the biology department. Mr. Dodson received his bachelor of science degree from Mississippi State Teachers' College in 1927. While there he took an active part in athletics and played on several teams. After graduation he served two years as teacher and coach in a high school in Alabama. He took his master of science degree from the University of Alabama. He was also assistant coach at Campbell college.

Definite announcement is expected in a few days who will succeed Miss Patricia Edgeworth as dean of women.

C. C. Poindexter will again be director of athletics for the third year. Prospects for winning athletic teams are the brightest in the history of the school. Football practice will get under way September 10. The college will again sponsor intercollegiate basketball for girls. The annual catalog carries an announcement to the contrary, but the decision not to have this sport was reconsidered and revoked. Coaching courses in all branches of sport are being added to the curriculum. This is in keeping with the demand for teachers trained and equipped to efficiently coach and handle school athletics.

Mr. Poindexter has also announced that he plans to open a private law reading class that will qualify students at the end of two years to take the state examination for law licenses. Mr. Poindexter holds A. B. and LL. B. degrees

from the University of North Carolina and has his license to practice law. He has been doing practice along with his teaching and coaching. Mr. Poindexter stated that he had already received several requests for such a course. The classes will meet at night and will not conflict with the college work of the pupils.

7 Pass Girl Scout Tenderfoot Test

The following Franklin girls passed the tenderfoot test at the recent two weeks camp for girl scouts held at Camp Taukeetah: Martha Rice, Kathryn Long, Freddy Hall, Pauline Ried, Dorothy Ried, Frances Ashe, Helen Wurst.

Frances Davenport was chosen the scout best representing camp spirit.

Campbell-Cunningham Reunion To Be Held

A reunion of the Campbell-Cunningham families will be held at the home of John F. Cunningham on Franklin Route 1, on Sunday, August 19. Those attending are asked to bring basket lunches.

College can offer tools and open doors of opportunity. It cannot insure that students will use the tools or go through the doors.—Virginia C. Gildersleeve.

SEEKS SENATE SEAT

Herbert B. Maw, professor in the University of Utah, is a candidate for the Democratic nomination for United States senator from that state.

CAPITAL WAR STILL RAGING

Attorney General Dennis G. Brummitt and State Auditor Baxter Durham have been at war with the State administration for years. Auditor Durham doesn't exhibit his hostility as openly as the Attorney General but it is known in Raleigh that a State of armed truce always

ASSOCIATION IS ORGANIZED

(Continued from Page One)

athan Morgan, J. T. Raby, W. H. Bryson, Dutch Mason, H. R. Morrison, Solomon Leatherman, Lawrence Sheppard and C. N. West, the chairman.

The committee on mining is composed of C. T. Bradley, chairman, Solomon Leatherman, Dutch Mason and W. H. Watkins.

The committee on highways is headed by C. A. Bryson, and the members are Oscar Rickman, Thomas Rickman, J. T. Raby, C. T. Bradley and Johnathan Morgan.

The committee on agriculture and marketing is composed of Dutch Mason, Jim Holbrooks and Fred McGaha with H. R. Morrison as chairman.

Dr. J. L. West, Jr., was named publicity director of the organization, and Mrs. C. A. Bryson as treasurer.

The committee on entertainment and arrangements is headed by Mrs. A. L. McLean and is composed of the following members: Miss Vonnie West, Mrs. C. A. Bryson, Mrs. C. N. West, Mrs. Solomon Leatherman and Mrs. J. L. West, Jr. The committee on Public Buildings is composed of Robert Rickman, W. J. West, with J. G. Owens as Chairman.

On August 31 a meeting of the organization will be held at the Cowee school and the various committees are expected to make some important reports on the work assigned to them. Several speakers will be invited to address the organization on subjects of interest to the different departments, and plans will be formulated for a systematic improvement campaign over the next several months.

Cowee Nine Wins From Indians, 6 to 4

The Cowee baseball team defeated the Cherokee Indians at West's Mill Saturday in one of this season's most spectacular and best attended games, scoring 6 men while the fleet-footers circled 4.

Batteries for Cowee were W. Duvall, C. Duvall and H. Bryson, while Littlejohn tossed to Mack Rose for the Indians. Cowee goes to Cherokee next Saturday to meet the Reds in their own camp, and will defend the local team position against Bryson City on the West's Mill lot, August 26.

The Cowee team has dropped only two games this season, and Manager Owens is being urged to sponsor a six-county league for 1935.

exists between the Governor's office and these constitutional offices. During the General Assembly Brummitt and Durham are usually found in the anti-administration camp. They have staged some lively legislative scraps but so far have gained little or no ground.
