## Reading Fun in Store for Boys

Here's important news for the boys of America. THE AMERICAN BOY—YOUTH'S COMPANION, the nation's quality magazine for boys, has been reduced from \$2.00 a year to \$1.00. The three-year rate, formerly \$3.50, has been reduced to \$2.00.

"For a long time we have been seeking a way to reduce the cost of THE AMERICAN BOY to readers," states Griffith Ogden Ellis, editor. "Recently we have effected savings that make the cut possible, and we think boys will agree that the new price is big news on the reading front. We hope boys will help us to spread the good news by telling their friends."

Along with the cut in cost, the magazine's publishers are planning a magazine that will continue to set the pace in fiction, articles, and departments. The favorite characters of millions of boys will parade through THE AMERICAN BOY in new stories. Douglas Renfrew of the Royal Canadian Mounted, Hide-rack, the red-and-gold collie, Bone-head Jim Tierney, the detective, will give the reader many exciting hours in the months to come.

William Heyliger, whose true-to-life, gripping vocational stories have won him wide acclaim from parents and librarians, as well as the hearty approval of boys, is working on new stories. Staff writers are interviewing famous coaches and athletes and world-renowned explorers, to bring boys the color and fun of sports and travel.

In short, THE AMERICAN BOY, under its new price, will continue to give boys a magazine that measures up to the best standards set by adult magazines. Send your subscriptions to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Michigan. Enclose your name and address and the proper amount of money, and THE AMERICAN BOY will soon be headed your way, loaded with reading thrills. (adv.)
