All the Sunday schools of Macon county are reminded that the Macon County Baptist Sunday School convention will be held with Iotla church at 2:30 Sunday afternoon of April 7. Dr. I. G. Greer, superintendent of our North Carolina orphanage work, will speak. Dr. Greer will speak in the Franklin Baptist church at 11 on that Sunday. At 8 on Sunday evening of the same Sunday he will bring a special message to young people in the Franklin Baptist church. People from all over the county are invited to all of these meetings.

Shookville

The Rev. John Youngblood, of Tuckaseegee, N. C., filled his regular appointment here Saturday and Sunday. He was accompanied by Mrs. Youngblood and children.

Mr. and Mrs. C. D. Moses and daughter, Frances, of Higdonville, were visiting at the home of D. M. Rogers Sunday.

Mrs. Charity Rogers returned to her home at Hayesville, N. C., a few days ago. She was accompanied by her grandson, John Bolick.

Mr. and Mrs. Howard Wardlaw, of Pendleton, S. C., spent last week-end with Mrs. Wardlaw's mother, Mrs. Clara Stiwinter.

Charles Jones and Alfred Leonard, of Walnut Creek, were visitors here Sunday.

A box supper was given at the school house on March 16. The amount received was \$28, which is to be used for church purposes.

Miss Alma Moss and John Bolick were quietly married on March 17, by the Rev. Grant Wood. Miss Moss is the daughter of Mr. and Mrs. Frank Moss, of Pine Grove. Mr. Bolick is the son of Mrs. Amanda Bolick.

WINS \$19,800 IN 10 MINUTES

Monte Carlo—As train time approached, Edward Robson, an Englishman, who had lost all his funds, borrowed a small sum from a friend, placed it in No. 17 and the number came up three times running. With only ten minutes to catch his train, Robson dashed off approximately \$19,800 richer.

FIRST SHOT KILLS 2

Chicago — When two Negroes broke into the home of the Rev. Edward Wainwright, a Negro Baptist preacher, Rev. Wainwright fired a revolver for the first time and killed both men.

Stasia—Ninety-nine women out of a hundred are naturally generous. Rudy—Yes, where one woman will keep a secret 99 will give it away.

ICE KILLS MAN

New York—Henry Wigger's skull was fractured by a 15-pound chunk of ice which fell from Manhattan Bridge as he was walking on a street beneath it. He was instantly killed.

Often

It happens so frequently that the woman who can not pass a beauty-test can not pass a beauty-parlor.—New Orleans States.

HUGE RACKET

New York.—It is said that the policy, or "numbers" racket is a \$100,000,000 a year enterprise in New York. At that rate, charwomen, grocery clerks and other petty gamblers paid out \$3.50 a second, or \$300,000 a day.

All property owners are required to return to the List Taker all the personal property owned by each on the first day of April.

All male persons between the ages of 21 and 50 years are required by law to list their polls during April.

All persons who own property and fail to list it and all who are liable for a poll tax and fail to give themselves in will be deemed guilty of a misdemeanor, subject to a fine or imprisonment upon conviction.

CROP ACREAGES MUST BE REPORTED

Each land owner should prepare a list of estimated acreages of each crop to be harvested this year (including tenants' crops) and have available when listing. "Patches" and approximate summer plantings should be approximated. This information is not taxable, but is required under the Farm Survey Act of 1921.

Make Every Acre Do Its Best with

ARMOUR'S

The FERTILIZER with The 7 Active Plant Foods

In Armour's Big Crop Fertilizers you get a *balanced ration* of the major plant foods—Nitrogen, Phosphoric Acid and Potash—all carefully selected—plus secondary plant foods that are essential to plants just as vitamins are to humans.

These fertilizers not only feed your crops but actually improve your soil. They are non-acid forming and leave no harmful acids in the soil.

These fertilizers are properly cured and ripened, permitting desirable chemical reactions to take place before the fertilizers are applied to your land. Skilled chemists have tested and analyzed all materials used in Armour's fertilizers.
