SOME AUTO SUGGESTIONS

Idiot!—I had the right of way and you know it!

Whatcha staring at—can't a guy stop and fix his car?

Why don'tcha look where you're going!

Bill Holman, the widely-known cartoonist, has given some suggestions for the prevention of automobile accidents. His advice, appearing in a new booklet on the traffic problem published by the Travelers Insurance Company, is as follows:

- Check the wheel—make sure that a loose nut isn't holding it.
- Be sure the Miss in the motor is sitting beside you.
- Don't race trains to crossings. If it's a tie you lose.
- For jaywalkers every year is leap year.
- Be sure the only crank in the car is in the tool box.
- A pedestrian is a man who missed the payments on his car.
- If you must have a blowout have it at home.
- A bird at the wheel is worth two in the ambulance.
- Beware of green drivers on red lights.
