Bronc Busters

Perform Every Sunday afternoon at Fletcher

Greeted by a crowd which roared approval, the Half Circle B Ranch cowboys wrestled with a string of unruly broncs and bawling steers at the home ranch spectacle of cowboy games last week, near Fletcher. The event attracted close to 1,000 people, who parked their cars around the corral fence and laughed and cheered at the buckaroos' antics. It was held under the supervision of "California Frank"—Col. C. F. Hafley—famous old-time frontiersman and top-hand.

As predicted, the western horses and cattle which participated in this thrilling display measured up to their reputations as bad actors. Many a tough puncher bit the dust in his efforts to tame these grizzled immigrants from the western ranges.

The Half Circle B Ranch, which is the only one of its kind in the eastern United States, is putting on these cowboy sports and races every Sunday afternoon and July 4th at 3 o'clock. The ranch is located three miles north of Fletcher and six miles south of Fairview on the Cane Creek road.
