## COMMON CAUSE OF BALDNESS

One of the chief causes of premature grayness, falling hair and ultimate baldness is lack of circulation in the scalp. To overcome this and bring an abundant supply of blood to nourish the hair roots, massage scalp at night with Japanese Oil, the antiseptic counter-irritant. Thousands of men and women report amazing results in stopping falling hair, growing new hair on bald areas and in eliminating dandruff and itching scalp. Japanese Oil costs but 60c at any drug-gist.
