## ROOSEVELT IS STILL LEADING

(Continued from Page One)

a total of 209 to 212 for Republican choices.

### Borah leads GOP Choices

By the nature of American politics, President Roosevelt is the outstanding favorite choice for re-nomination. In the Republican ranks, Borah of Idaho continues to lead the field, a little better than 2 to 1 over Landon of Kansas in second place. Knox of Illinois runs a close third with Hoover fourth. The break-down of Republican choices furnishes some mighty interesting figures.

Even at this early stage of the poll, the tabulation of state by state returns and the break-down of the voting for the various presidential choices furnish speculative grounds for voters everywhere. They show them the political trends throughout the country, and months ahead of the national conventions.

That was the big idea behind this nation-wide "Next President" poll, which The Franklin Press and The Highlands Maconian, with 2,000 other newspapers, launched this month.

## Watch Your Kidneys!

Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained.

Then you may suffer nagging back-ache, dizziness, scanty or too frequent urination, getting up at night, swollen limbs, feel nervous, miserable—all upset.

Don't delay! Use Doan's Pills. Doan's are especially for poorly functioning kidneys. They are recommended by grateful users the country over. Get them from any druggist.
