## A New SERVICE TO SAVE YOU MONEY

Here's good news. We have just installed the latest type ATLAS Testing Equipment. The new Photo-test shows condition of each battery cell at a glance. The Capacity-test indicates the working ability and condition of your battery in terms you can readily understand.

Failure to keep your battery in good condition will cause starting failures and other battery troubles—especially in cold weather.

Your battery gives you no warning before it breaks down—our battery inspection service will.

Drop in tomorrow and have your battery checked FREE.
