MARKET

The curb market receipts Saturday doubled the receipts of the Saturday the market was. Customers tripled in number. Women of the county appreciate the cooperation the women of Franklin have given them and hope an increased number will patize them each Saturday morning. The women of the home demonstration clubs guarantee their products and ask that any customer who is dissatisfied report the matter at once to Mrs. Wade, chairman of the market committee, or to one of the committee members. The committee will come suggestions and will endeavor to sell any articles called by the purchasers.

The market is new in Franklin

and only by help and suggestions can we make it what we should like it to be. In 1932 there were 37 curb markets operated under home demonstration clubs in North Carolina. The receipts for the year were \$202,463.31.

The following rules as to prices have been adopted by the market committee:

All prices shall be within chain stores.

No cutting of prices.

Products sold in bulk to hotels or boarding houses may be at lower prices.

Sellers are not allowed to peddle their wares. Any violation of these rules must be reported to the market committee and the seller will be prohibited from selling on the market. Sellers may deliver to stores after market hours.

month for the day only. Dinner will be served on the grounds.
