# Big Savings in Our Annual Clearance

## \$15,000 STOCK

### Must Be Sold by January 30

Every item in our store has been priced to sell in a hurry. Here's your chance to get good merchandise at reduced prices, despite the fact that clothing and merchandise in general are advancing all over the country. But don't think that because our prices are low, we are offering old merchandise, for that is not the case. Our stock is clean and our ready-to-wear clothing is up to the season in style. We are even offering ladies' new spring shoes—shoes that we have just received—at absurdly low prices. Also, we have on display some of the new mannish tailored suits for ladies. Come in and see them. The goods and the prices talk for themselves.
