

## SOCIAL ACTIVITIES and COMINGS AND GOINGS

### MRS. ALLMAN HONORED ON 83RD BIRTHDAY

On Friday afternoon, February 12, Mrs. T. J. Johnston entertained in honor of Mrs. W. N. Allman, affectionately known as "Sister," the occasion being Mrs. Allman's 83rd birthday, with members of the Woman's Missionary society being her guests.

Mrs. Allman attended the "World Day of Prayer Services" and on her return home, when she entered the living room was greeted most unexpectedly by the members of the society, which was a very pleasant surprise.

The guests were shown into the dining room by Mrs. Allman and Mrs. J. A. Deal, mother of Mrs. Johnston, Miss Amy Harrison and Mrs. George J. Johnston, a niece of Mrs. Allman's, presided at a beautifully appointed table, covered with an exquisite lace cloth. The spring motif of yellow and green was used. A lovely bowl of yellow jonquils was a centerpiece, with crystal holders containing green tapers. Tea, coffee and sandwiches were served. Mrs. Johnston brought in a large silver tray laden with gifts and a huge birthday cake lighted with yellow and white candles.

Mrs. Allman has been a member of the Woman's Missionary Society for 59 years and the society presented her a life membership last year. She was present when the society was organized, and has remained a faithful and loyal member since. She is an inspiration to everyone who knows her and possesses a most lovable disposition.

The guests and friends left, wishing her many more happy birthdays.

### Sentinels of Health

#### Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.
