EDITED BY MRS. T. C. HARBISON

WM. WOODWARD SULLIVAN DIES IN ANDERSON, S. C.

HIGHLANDS, Mar. 31.-William Woodward Sullivan, 62, executive head until recently, of the Sullivan Hardware Company of Anderson, Greenville, Spartanburg, Greer, and Belton, S. C., and a part time resident of Highlands, died at his home in Anderson on the morning of March 27, following an illness of several months.

A prominent and popular man in Highlands as well as in Anderson and other South Carolina towns, Mr. Sullivan led a useful and active life. In his early manhood he took an active part in the founding of Anderson College, and was later active in the building of the John C. Calhoun hotel in Anderson, and was interested financially in this community project. Affiliated for many years with Sullivan Hardware company, he became its president in 1915, and retired a short time ago due to the condition of his health. He owned one of Highland's beautiful summer homes, and with his family, was here frequently throughout the year.

Mr. Sullivan is survived by five sons, three daughters, and their mother. The sons and daughters include W. W. Sullivan, Jr., J. Pat Sullivan, Henry Sullivan, Lewis Sullivan, Claude Sullivan, Mrs. Charles S. Major, Mrs. R. H. Guest, and Miss Pauline Sullivan.

Funeral services were conducted at 4 p. m. Monday at the First Baptist church in Anderson. A number of people from Highlands attended, and a floral piece from "The Citizens of Highlands" was sent in tribute to the man who had so many friends here.

There are plenty of good prizes for all who enter and it is hoped that this drive will result in a big membership of the chamber of commerce this year.

A called meeting of the chamber of commerce was held in the town office on Wednesday evening, the purpose of which was to increase the number of directors from six to 15. This was recommended due to the fact that most of the business of the body will be conducted by the directors. The directors elected at the annual meeting held a few weeks ago recommended also that the real estate agents of Highlands be among those to be added to the list of directors. The election of further members to the board took place with the result that the following are now members of the board: Miss Albertina Staub, Mr. W. P. Pierson, Mr. S. Marett, Mr. F. B. Cook, Mr. W. W. Edwards, Mr. George Marett, Mr. F. A. Edwards, Mr. J. E. Rideout, Mr. T. C. Harbison, and Mr. J. E. Hicks.

A motion was carried to the effect that the chamber of commerce approach the trustees of the land at the top of Satulah, and ask that an acre of ground be leased or given to the U.S. forest service for the erection of a steel lookout tower. This resolution was the outcome of a discussion started by Mr. J. Harvey Trice, who reported that Mr. Frank Cook had given him information relative to the possibilities of the building of a tower by the government.

Advertising and other matters were discussed generally, and the meeting closed after a request by the president, Mr. C. J. Anderson. that the board of directors meet For his loved ones to walk in the on March 30 in order to appoint the various committees.

Gone to live with Jesus we know, Because of the life he lived here below.

He lived a life that was worthwhile, You always saw him with a loving smile,

Walking around so peaceful and Never doing what wasn't right.

Yes, he read his Bible and prayed each day,

narrow way,

But now he's away in the land of Living with Jesus which is for the best.

We all loved him and we'll miss him, you know,

But Jesus took him from pain and

Prepare to meet him, dear girls and boys,

And we'll see him again in the land of joys.
