

SUNDAY WILL BE SAFETY DAY

Ministers Will Deliver Special Messages On Safe Driving

The Ministerial association of Franklin is cooperating with the press, the radio, and the Carolina Motor Club in their war on highway deaths in sponsoring "Safety Sabbath" on April 18. The ministers of Franklin and community are being asked to bring special messages on this day to their congregations in regard to safety on our public roads.

Last year this special day was held on the Sunday preceding July 4 in an effort to curb the high toll of deaths injuries and accidents on the highways that usually occur on this anniversary of the nation's birth. Only one fatality was reported over the Carolinas for that day.

Everyone is cordially invited to attend the services of the churches in Franklin and community next Sunday morning and enlist in this mobilization for highway safety.

The following proclamation has been issued by George B. Patton, Mayor of Franklin, urging observance of "Safety Sabbath":

Proclamation

The appalling number of preventable accidents and deaths upon the highways of our community, State and Nation has become a menace of major concern to all the people. Our beautiful threads of travel, designed for pleasure and trade have been converted by the reckless driver and the careless, incompetent operator into lanes of horror. Daily the newspapers carry gory accounts of lost limbs and lives and of maimed and injured bodies.

On Sunday, April 18, the Carolina Motor club is sponsoring a Carolina-wide observance of "Safety Sabbath." This date being selected upon the eve of summer travel season in an effort to make the general public safety-conscious, so as to decrease, if not eliminate, the terrible road tragedies incident to the seasonal increase in the use of automobiles.

I, therefore, proclaim April 18, Safety Sabbath in this community, and do hereby urge the leaders of religious and civil life to fittingly observe with well-planned programs this date, and by precept and example to foster the ideal of consideration for the rights of others, to the end that the irreducible minimum in accidents and death may be accomplished.

The ministers, the Sunday school superintendents and the laymen can, by a strong sermon, a prayer offered or a word spoken, join the program in encouraging a concentration of thought upon this problem.

Dated at Franklin, this 13th day of April, 1937.
GEO. B. PATTON, Mayor.

THE GARDEN

What size should my garden be? One-tenth acre per person, or one-half acre for a family of five, provided potatoes are not included.

What shall I plant in my garden? Consider the daily food essentials needed. Plan the garden so that the family will have enough of each of these for use fresh in the summer and canned for winter use.

It is just as impossible to build up the human body and keep it in good health without the proper amount of the necessary foods as it is impossible to make a perfect cake with the wrong proportion of sugar, butter, baking powder or flour. The wrong amount of each of the ingredients in a cake makes a sad cake, the wrong amounts or the wrong mixtures of foods make woefully sad specimens of humanity.

Give your family a chance and raise the proper foods and the proper amounts for a balanced year round diet.

SCHOOL LUNCH ROOM RECIPES

Miss Florence Stalcup, home economic teacher in the Franklin high school, furnishes the following recipes, commended for their nutritional value and economy, for use in the WPA lunch rooms of Macon county. The quantities given provide 50 servings.

Blackberry Pudding

1 cup flour
2 1/2 or 3 cups sugar
3/4 cup butter
2 1/2 qts. juice and strained blackberry pulp.

Mix flour and sugar, add juice, cook until thickened; add butter. Serve cold with whipped cream.

Bean Loaf

4 qts. soft bread crumbs.
2 qts. cooked beans and pork (left over dried beans).
2 chopped onions
4 cups milk
6 eggs
2 teaspoons salt
Run beans and onions through food chopper. Mix other ingredients. Spread over greased pan and bake in a slow oven 30 minutes. Serve with tomato sauce or catsup. Cost 61c or less.

Sauce Delicious

2 cups sugar
2 tablespoons flour
2 eggs
4 tablespoons cold water
Beat together; pour into one pint of scalded milk. Boil, stirring constantly, one minute. Add 2 tablespoons butter and flavoring.

Southern Baked Rice and Meat
2 1/2 lbs. incooked rice
3 1/2 lbs. (left over or cheap cut) meat

1 1/2 tablespoons salt
3 chopped onions
4 large bell peppers
1 cup chopped celery
1 qt. tomato juice or cooked tomatoes
1 or 2 tablespoons sugar
2 1/2 qts. beef or chicken stock
1 qt. stale bread crumbs
1/2 teaspoon pepper

Cook rice until tender. Add beef stock, ground meat, and seasoning. Pour in greased baking pan. Cover with bread crumbs. Bake 30 minutes; total cost 83c.

Sweet Potato Fluff

3 qts. mashed sweet potatoes
6 unbeaten eggs
1 or 1 1/2 cups milk
1 cup butter
1 cup brown sugar
Salt

Add eggs to potatoes. Beat vigorously. Add other ingredients and beat until well mixed. Pile lightly in buttered pan and brown in oven.

To vary this recipe, coconut, chopped nuts, raisins, or marshmallows may be added.

Apple Pudding

4 qts. sliced apples
1 1/2 qts. water
4 teaspoons cinnamon
8 cups sugar
4 cups butter
6 cups flour
1 teaspoon salt

Pour apples into greased shallow baking pan; add water and sprinkle with cinnamon. Sift together the flour, sugar, salt and with finger tips work in butter until the mixture is of the consistency of corn meal. Pour over the apples and bake until the apples are tender.

This may be served as is, or may be served with warm cream sweetened and flavored with vanilla; cost \$1.50.

MAKE REPORT OF WPA UNITS

(Continued from Page One)

jects since commencement of WPA operations October 1, 1935.

From zero in October, 1935, to a peak employment of 45,036 on February 6, 1936, and reduced with the recovery of private employment to a working force on April 1, 1937, of 27,023, this comprehensive report gives the first complete accounting of WPA's tangible accomplishments during the past year and a half.

Streets and alleys, the report shows, have had as much attention as roads. North Carolina cities and towns from Manteo to Murphy have been improved by 213 miles of new construction, reconditioning and surfacing in this single bracket of WPA.

"Critics of Works Progress Administration accuse us of digging trenches and then filling them up," continued Mr. Coan, "but they neglect to add that we put sewer line or water pipe in these ditches before they are filled.

"The paramount concern of WPA has been employment for relief laborers," the state administrator observed, "but our purpose in releasing this accomplishment report is to show North Carolina taxpayers that the efforts of these thousands have been directed towards projects of lasting usefulness. Over one hundred and fifty mayors and chairmen of county boards of commissioners have expressed themselves as being highly gratified with work relief in "Tarheelia."

Births

Mr. and Mrs. Floyd Roper announced the birth of a daughter, Mary Jo, at their home at West's Mill, on Wednesday, April 7.
