Golf Club to Open Sunday

(Continued from Page One)

shelter is being erected for the colored caddies.

A new tee has been built on No. 1 and arrangements have been made to drain No. 1 fairway.

Many truck loads of clay have been worked into the tennis courts and they are expected to be in fine shape all summer. Two new tennis nets have been purchased with center straps and pulleys to hold them at exactly the right height.

If the weather continues warm, the swimming and wading pools will be opened in the near future.

Next Sunday, a blind bogie golf tournament will be held. Every player, whether good, bad or medium, stands an equal chance to win. During the summer there will be driving contests, putting tournaments, approaching tournaments, Army and Navy tournaments, Scotch ball tournaments, Club championship (handicap), ladies' club championship (handicap), children's and caddy tournaments, costume games, goofy golf; and a challenge will be issued to every club and town in this section to come and take the "goat" of the Franklin club back home with them, if they can.

This year the ladies will come in for special attention. Major Carmack is offering the ladies of Franklin a wonderful opportunity to learn golf. Each Monday, Wednesday and Friday during May, beginning Monday, May 3, he will give free golf instructions from 9 until 11 in the mornings and from 4 until 6 in the afternoons to any girl or woman whose husband or father is a member of the golf club. He has also offered to furnish the clubs for practice work if the ladies have no clubs or cannot borrow any.

Tennis matches will also be held during the summer, which will include a man's senior tournament, mixed double tournament and junior tournaments both for boys and for girls.

This year the swimming pool will also offer many attractions such as relay races, fancy diving contests, plunge for distance, endurance tests and speed contests.

Major Carmack is planning a very busy and pleasant summer for the men, women and children of Franklin and Macon county as well as for the summer visitors.
