## WEAVER-FAISON

Of wide social interest to the people of Franklin is the announcement made last week by Mr. and Mrs. Isaac L. Weaver, of Lafayette, Ga., of the engagement of their daughter, Margaret, to John R. Faison, of Franklin.

Miss Weaver spent some time at High Hampton Inn, Cashiers, N. C., last summer and visited in Franklin while there. Those who met her then will remember her as a very attractive girl with an engaging charm of personality. She attended Lafayette high school, and received her home economics degree from Berry college, Rome, Ga., in 1936. For the past year she has been connected with the resettlement administration in Newnan, Ga., as home supervisor.

Mr. Faison has been in Franklin for the past two years and is well known here. He is the son of Mr. and Mrs. W. D. Faison, of Wendell, N. C. He graduated from Berry college, Rome, Ga., in 1934, with a B. S. degree in agriculture. While there he made a very good record in different school activities, serving as president of the Agricultural club, and during his senior year was selected as the superlative student in agriculture for the four years. He was also president of the X-club, president of the Syrrub club, and vice president of the Varsity club. After graduation he remained at Berry as instructor of agriculture and biology for one year. He then received appointment as supervisor with Resettlement Administration and was stationed at Gainesville, Ga. Later he was moved to Robbinsville, and from there was transferred to Franklin in September, 1935, as county supervisor of Resettlement Administration in Macon, Clay, and Jackson counties.

The wedding is being planned for mid-summer. The couple will reside in Franklin.
